

Director Global Surgery Office

**DALHOUSIE
UNIVERSITY**

FACULTY OF MEDICINE
Department of Surgery

November 24th, 2020

Colleagues:

I am pleased to introduce **Dr. Gregory Knapp** as the Director of Global Surgery.

Dr. Knapp is well known to us, having completed his General Surgery Residency at Dalhousie in 2017. He also holds a graduate degree in International Health Policy from the London School of Economics.

As a resident he was instrumental in the establishment of Dalhousie Global Surgery, under the directorship of Dr. Marius Hoogerboord. Dr. Knapp actively participated in several of the department's global health initiatives. Following his residency, Dr. Knapp was the inaugural Global Cancer Disparities Initiative, International Surgical Oncology Fellow at Memorial Sloan Kettering Cancer Center in New York, and subsequently completed his training in Complex General Surgical Oncology at the University of Calgary. He is a member of the African Research Group for Oncology and brings an exciting program of global oncology research and collaboration to the Department.

I would also like to take this opportunity to thank Dr. Hoogerboord for the work he has done as Director of Global Surgery. I look forward to his ongoing contribution as a member of the Global Surgery Advisory Committee.

Dr. David Kirkpatrick
Head, Department of Surgery
