

JEAN MONNET EUROPEAN UNION CENTRE OF EXCELLENCE GRADUATE RESEARCH TRAVEL GRANT

The Jean Monnet European Union Centre of Excellence (JMEUCE) at Dalhousie University is funded in part by the European Union (EU) to study comparative policies pertaining to the EU and Canada, EU-Canada relations and EU policies more generally.

The Centre offers an annual travel grant of \$1,000 to a student enrolled in a graduate degree programme at Dalhousie University who has a research interest in the EU. This award provides travel support for attending conferences and/or conducting research in the EU on topics related to the EU.

- Applicants must be full-time Master's or Doctoral level students in good standing at Dalhousie University, registered in the current term or admitted into a graduate programme beginning in September 2018.
- All sections of the application must be completed and submitted by **25th April, 2018**, and notification of the result will be provided by e-mail approximately four weeks after the closing date.
- In the event of closely qualified applicants, preference will be given to the one with a proven record of previous studies concerning the European Union
- There are no appeals on the final decision.
- The successful applicant must report back on how the award was used.

Documentation to accompany this application

In addition to the completed application form (overleaf), applicants are required to submit:

- one sealed letter of reference;
- a signed one-page personal statement articulating the applicant's interest in the EU and indicating how the award would be used for research travel or conference attendance, including presentation details.

The student's department will provide the Committee with:

- a copy of the applicant's transcripts.
