

NMR-3 - Solid State NMR Sample Submission Form

Name: _____ Date: _____
Address: _____ E-Mail: _____
_____ Supervisor: _____
Tel./Fax: _____ Email of Supervisor: _____

Sample Information:

- a) General Description of samples:
- b) Which question do you try to answer with solid state NMR:
- c) Requested Experiments:

Sample Name	Brief composition	NMR Nuclei requested

(Use the back page for more samples)

Is specific sample handling necessary? no yes, please specify on back page

Do you wish the samples to be returned? yes no, please specify disposal and hazard instructions on back page

Please classify your affiliation (see http://nmr3.chemistry.dal.ca/docs/NMR3_Fees.pdf):

- Academic @ Dal & Supporting Institutions Academic @ Non-supporting Institutions
 Industry/Government

Please read and sign:

I understand that charges will apply to the use of the spectrometer and related services. (see Web-site http://nmr3.chemistry.dal.ca/docs/NMR3_Fees.pdf for details).

I agree to acknowledge the source of these spectra as "The Nuclear Magnetic Resonance Research Resource (NMR-3)" when these spectra are presented in any form, such as in a thesis, presentation, article or book.

(For Dalhousie users): account number to be charged by journal entry: _____

Signature: _____

Supervisor's Signature: _____

Official Use only:

Rec. Date: _____ Fin. Date: _____ # Spectra plotted _____ # Rotors packed _____ (a/n) (Jan. 2012)
