Dalhousie University is located in Mi’kma’ki, the ancestral and unceded territory of the Mi’kmaq. We are all Treaty people.
WHAT MAKES DALHOUSIE THE RIGHT FIT FOR YOU?

Dalhousie’s national and international reputation for academic excellence and innovative research is supported by a diverse and inclusive community that’s committed to your growth, wellness and success.

We’re one of Canada’s top research universities, which means you’ll learn from professors who are conducting groundbreaking research focused on solving complex global issues and creating a better, more sustainable future for all of us.

You’ll have the opportunity to put your learning into practice through hands-on and co-op programming as well as through an incredible selection of campus activities, societies, clubs and teams.
19,148 total students
14,846 undergraduate students
22% international students
60% out-of-province students
200+ programs
130+ master’s and PhD programs
$24M undergraduate financial awards
2,500+ work-terms
$156M+ annual funded research
91 Rhodes Scholars
135,000+ alumni
HALIFAX
Halifax is one of Canada's fastest-growing cities and features innovative tech and entrepreneurial communities, as well as thriving financial and ocean sectors. As the capital of Nova Scotia, Halifax is the most multicultural city in the province and home to more than 425,000 people. Known for distinctly East Coast food, entertainment, history and culture, Halifax has everything you'd expect from an urban centre within a safe and close-knit community.

TRURO
Dalhousie's Agricultural Campus in Truro is the only campus in Canada with an on-site teaching farm. The beautiful town of Truro, which is just an hour's drive from Halifax, was recently voted the #1 friendliest community in the Maritimes (expedia.ca).

IN THE CLASSROOM AND BEYOND

Choose from a wide range of programs, classes, majors and minors to build a degree that speaks to your goals — and prepares you to achieve them when you graduate.

From day one, you’ll have the chance to participate in the unique projects of researchers driven to learn more about the world. From challenges related to poverty and inequality, to climate and environmental degradation, to prosperity and peace and justice, you can be part of a research community focused on creating a better and more sustainable future for all.

OPPORTUNITIES TO LEARN BY DOING ARE PART OF EVERY DEGREE PROGRAM.

In every program, you’ll find a wide range of ways to put new knowledge into action and make the connection between classes and careers. Take part in co-op opportunities, internships, practicums, research projects and volunteer opportunities that give you real work experience, professional mentorship and a résumé that sets you up for career success.
FACULTIES, PROGRAMS & MAJORS

FACULTY OF AGRICULTURE
(Programs available exclusively on the Agricultural Campus in Truro)

BACHELOR OF AGRICULTURE
(With Aeres University of Applied Sciences in the Netherlands)
International Food Business

BACHELOR OF SCIENCE (AGRICULTURE)
Agricultural Business • Agricultural Economics • Animal Science • Aquaculture • Environmental Sciences • Integrated Environmental Management • Plant Science

BACHELOR OF SCIENCE (BIOVETERINARY SCIENCE)

BACHELOR OF TECHNOLOGY
Landscape Architecture

DIPLOMA IN ENGINEERING
(Available in Truro and Halifax)

PRE-VETERINARY MEDICINE

TECHNOLOGY DIPLOMAS
Veterinary • Managed Landscapes • Plant Science* • Business Management*

* Anticipated removal and replacement of this program in the 2020/21 academic year. Contact enrolment.services@dal.ca for more information.

FACULTY OF ARCHITECTURE AND PLANNING

BACHELOR OF COMMUNITY DESIGN
Environmental Planning • Environment, Sustainability and Society • Urban Design Studies

FACULTY OF ARTS AND SOCIAL SCIENCES

BACHELOR OF ARTS
Canadian Studies • Cinema and Media Studies • Classics • Contemporary Studies • Creative Writing • Early Modern Studies • English • Environment, Sustainability and Society • European Studies • French • Gender and Women’s Studies • German • History • History of Science and Technology • International Development Studies • Law, Justice and Society • Music • Philosophy • Political Science • Religious Studies • Russian Studies • Sociology and Social Anthropology • Spanish and Latin American Studies • Theatre: Acting, Costume Studies, Scenography, Theatre Studies

BACHELOR OF MUSIC

FACULTY: A unit of related academic departments.
DEGREE PROGRAM: A defined course of study that leads to an academic qualification (for example, Bachelor of Arts).
MAJOR: A defined topic of study or subject concentration within a degree program.
CO-OP: The option to participate in paid work term(s) in your area of study.

DAL.CA/PROGRAMS
FACULTY OF COMPUTER SCIENCE

BACHELOR OF APPLIED COMPUTER SCIENCE CO-OP

BACHELOR OF COMPUTER SCIENCE CO-OP
Artificial Intelligence and Intelligent Systems • Communication Technologies and Cyber Security • Data Science • Graphics, Gaming and Media

FACULTY OF ENGINEERING

DIPLOMA IN ENGINEERING (Available in Halifax and Truro)

BACHELOR OF ENGINEERING CO-OP
Chemical • Civil • Electrical • Environmental • Industrial • Mechanical • Mineral Resource

BACHELOR OF ENGINEERING CONCURRENT WITH Bachelor of Science • Bachelor of Arts

FACULTY OF HEALTH

BACHELOR OF SCIENCE (HEALTH PROMOTION)

BACHELOR OF SCIENCE (KINESIOLOGY)

BACHELOR OF SCIENCE (NURSING)

BACHELOR OF SCIENCE (RECREATION)

BACHELOR OF HEALTH SCIENCE
Diagnostic Medical Ultrasound • Nuclear Medicine Technology • Radiological Technology • Respiratory Therapy

BACHELOR OF SCIENCE (RECREATION) / BACHELOR OF MANAGEMENT COMBINED

ADDITIONAL AREAS OF STUDY

Several programs require one or more years of post-secondary study, or the completion of a degree program, before you’re eligible to apply (e.g. Architecture, Dentistry, Law, Medicine, Pharmacy, Social Work, etc.). Visit dal.ca/programs for more information about these options.

FACULTY OF MANAGEMENT

BACHELOR OF COMMERCE (mandatory co-op)
Accounting • Entrepreneurship • Finance • International Business • Managing People and Organizations • Marketing Management • Supply Chain and Logistics Management

BACHELOR OF MANAGEMENT (internship options)
Enterprise and Innovation • Environment, Sustainability and Society • Knowledge Management • Leadership and Organizations • Public Sector Management

BACHELOR OF MANAGEMENT / BACHELOR OF SCIENCE (RECREATION) COMBINED

FACULTY OF SCIENCE

BACHELOR OF SCIENCE
Actuarial Science • Biochemistry and Molecular Biology CO-OP • Biology CO-OP • Chemistry CO-OP • Earth Sciences CO-OP • Economics CO-OP • Environment, Sustainability and Society • Environmental Science CO-OP • Integrated Science Program (ISP)** • Marine Biology CO-OP • Mathematics CO-OP • Microbiology and Immunology CO-OP • Neuroscience • Ocean Sciences • Physics and Atmospheric Science CO-OP • Psychology • Statistics CO-OP

**First-year option. For more information visit dal.ca/disp.

BACHELOR OF SCIENCE (MEDICAL SCIENCES)

MINORS

Add a minor (an additional topic of study) to your degree. To explore all available minor options visit dal.ca/minors.

Dalhousie offers several programs in partnership with the University of King’s College. To learn more visit ukings.ca.
GRADE 12 OR EQUIVALENT REQUIREMENTS

International students who meet university entrance requirements in their home country will normally be eligible for admission consideration at Dalhousie.

Visit [dal.ca/internationalstudents](http://dal.ca/internationalstudents) for admission requirements specific to your country. Admission to programs at Dalhousie is often competitive; meeting the minimum averages cited below does not guarantee admission. Contact a member of the admissions team at [dal.ca/connect](http://dal.ca/connect) for up-to-date information on competitive requirements by program. Some programs have other requirements, visit [dal.ca/supplementalinfo](http://dal.ca/supplementalinfo) for supplemental forms and documents.

COURSES THAT FULFIL ADMISSION REQUIREMENTS

ADMISSION REQUIREMENTS

GCE / British System 5 subjects with 2 A levels or 4 AS levels with grades of "C" or higher

All programs requiring Pre-Calculus require at least AS level Math; All other programs requiring Academic Math—IGCSE or O level

Students who have studied their last 3 years in English and have IGCSE English First Language with a minimum of "B" are exempt from providing proof of English proficiency

AP (Advanced Placement) / US System GPA no less than 3.0 on 5 subjects with SAT I score of at least 1100 or ACT composite score of 23, with no individual score less than 20

All programs requiring Pre-Calculus require at least senior-level Algebra and Trigonometry; All other programs requiring Academic Math—grade 12 Math

AP classes with final grades of 4 or 5 may be considered for transfer credit

IB (International Baccalaureate) Diploma students must have a predicted total of at least 26 points; Certificate students will be considered on the basis of at least 5 certificates

All programs requiring Pre-Calculus require at least Math SL; All other programs requiring Academic Math— at least Math Studies SL

Higher level IB classes with grades of 5, 6 or 7 may be considered for transfer credit

India Standard XII with at least 5 subjects and scores averaging a minimum of 70%

All programs requiring Pre-Calculus or Academic Math— Standard XII Math

Bachelor of Commerce and Bachelor of Management programs require Standard XII Math

China Senior Middle School Graduation Certificate

Standard senior level Mathematics

Conditional admission offered based on English language proficiency test scores

Countries with a 12 year education system Academic standing equal to 75% in 5 academic grade 12 subjects

All programs requiring Pre-Calculus require a grade 12 Math class with Pre-Calculus preparation; All other programs requiring Academic Math—grade 12 Math

AGRICULTURE PROGRAMS

Agriculture/Pre-Veterinary Medicine ✓ ✓** +3 75%

Bioveterinary Science ✓ ✓** +3 75%

International Food Business ✓ ✓ +3 75%

Landscape Architecture ✓ ✓ Biology 11 +3 70%

Technology Diplomas: Veterinary, Managed Landscapes, Engineering, Plant Science and Business Management

1. Students who wish to complete first year in the Integrated Science Program must apply to the Bachelor of Science or Medical Sciences program and select the Integrated Science option on the application form. In addition to meeting the English and Math requirements, students must also complete two of Chemistry, Biology or Physics and one additional university preparatory course.

2. See dal.ca/admissions for specific Faculty of Agriculture admission and supplemental requirements.

3. Anticipated removal and replacement of this program in the 2020/21 academic year. Contact enrolment.services@dal.ca for more information.

*Academic Math/**Pre-Calculus. For a complete list of Math courses that fulfill this requirement, see the chart below.
TRANSFER STUDENTS
You may be able to transfer course credits completed at another university to Dalhousie. Normally, a cumulative GPA of at least 2.0 is required to be admitted as a transfer student. Some programs may require higher GPAs. See dal.ca/transfercredits.

ENGLISH PROFICIENCY
Applicants whose first language is not English, or who have not completed at least three years in a high school program taught in English, must provide an English proficiency test score (minimum: IELTS 6.5, with no band below 6.0, or TOEFL 90 Internet-based, with no band below 20). Other English language proficiency test scores are also accepted.

SUBMITTING DOCUMENTS
Transcripts and test scores should be mailed or emailed to Dalhousie directly from your school, testing agency or issuing institution. Include a certified English translation if documents are written in another language.

Mail to:
Registrar’s Office
Dalhousie University
6299 South Street,
PO Box 15000
Halifax, Nova Scotia,

*Fees vary by program.

**Costs will vary depending on room type and meal plan selected.

***Based on 2019/20 rate and subject to change.

DAL.CA/TUITION
ENTRANCE AWARDS

Dalhousie's program of financial awards and assistance includes scholarships, bursaries, emergency loans, on-campus employment and other forms of financial assistance. Scholarships are valued at up to $40,000 (CAD) per program.

The majority of entrance awards require an awards application. For more information about the application process and the awards available to you, please visit dal.ca/entranceawards.

TO BE ELIGIBLE FOR AN AWARD, COMPLETE YOUR APPLICATIONS FOR BOTH ADMISSION AND AWARDS BY MARCH 1.
RESIDENCE LIFE

It doesn’t get any more convenient than living on campus — you’re minutes from classes and, with a meal plan, it’s easy to refuel and get on with your day. You’ll also be surrounded by new friends from near and far who want to get as much out of campus life as you do.

THE BUILDINGS
• New from high school students are guaranteed a place in residence.
• 11 residence buildings (8 in Halifax, 3 in Truro).
• 79% (Halifax) and 47% (Truro) of our rooms are single occupancy.

THE LIFESTYLE
• Safe and secure buildings — most offer 24-hour front desk support.
• Support and mentorship from residence life staff.
• Dedicated high-speed Wi-Fi and a streaming entertainment service.
• ResLife Learning Communities bring students with similar interests or fields of study together.

THE FOOD
• Dining halls with meal plan options in Halifax include 14, 19 and unlimited meals per week. Truro students always have an unlimited meal plan.
• Enjoy locally sourced, halal, vegan, vegetarian, gluten-free and dairy-free options at every meal.
• In-residence kitchen facilities allow you to make your favourite comfort foods.
NEW FROM HIGH SCHOOL?
APPLY FOR RESIDENCE BEFORE JUNE 15 TO GUARANTEE YOUR PLACE.

FOR VIDEO TOURS OF RESIDENCES, VISIT DAL.CA/RESIDENCE
STUDENT SUCCESS

Life at university is a new experience, so we’re here to help with navigating resources, meeting new people and managing academic challenges. Our faculty, staff and students are ready to support you as you make your way through your first year and beyond.

ACADEMIC SUPPORT
Academic support services can help you realize your full potential. From before you arrive on campus to the day you graduate, you can count on our services and resources to help guide your way.

*On Track* programming, for example, helps you transition into university and maintain your success through your degree. Visit [dal.ca/ontrack](http://dal.ca/ontrack).

ATHLETICS
Your tuition includes plenty of opportunities to get active — from Dalhousie’s diverse mix of varsity, club and intramural programs to use of athletic facilities including the brand new fitness centre. Rather spend your energy cheering? Students have free admission to varsity home events. Visit [dal.ca/athletics](http://dal.ca/athletics).

COMMUNITY AND CULTURE
We’re proud to be an inclusive community that aspires to ensure everyone feels welcome, comfortable and safe. Part of that is offering a variety of opportunities to connect with other students who have similar backgrounds, interests, personal circumstances and goals.

GET INVOLVED
Research shows that the more involved you are in campus activities the more likely you’ll succeed in your studies. That’s why we have lots of opportunities for you to show up and join in. You’ll find more than 400 active student societies and regular campus events, as well as opportunities to volunteer, take part in research and discover your strengths and passions.

HEALTH & WELLNESS
As a university student, you’ll challenge yourself, have some fun and sometimes feel stress. By working together, we’ve created a caring, safe and healthy community that supports all of us as we study, work, live and play. Plenty of services, programs and resources are available on campus to help you take care of your overall health and well-being, and manage the pressures of university life.

JOBS, CAREERS & REAL WORK EXPERIENCE
When it comes time to plan your career path, you’ll need to make a lot of decisions about your education, work and personal life. Dalhousie has plenty of services and resources available to support you as you transition from university to the working world.
INTERNATIONAL CENTRE

Drop by the International Centre for fun and informative orientation programs and cultural events, a welcoming lounge and study space as well as referral and advising services related to immigration, health care, finances, travel and personal matters.
As an international student, there are a number of documents you'll need to obtain to study in Canada. You're responsible for maintaining your immigration status and obeying immigration regulations while you're here.

International students must apply for a Study Permit and possibly a Temporary Resident Visa (TRV) to enter and study in Canada. You'll need certain documents, like a valid passport and your letter of acceptance from Dalhousie to apply. Learn all you need to know at dal.ca/international.
EXPLORE

Try on the Dalhousie experience and discover how we can help you achieve your goals. Visit dal.ca to learn more about what we offer and everything you need to know before you arrive.

MEET US ONLINE
Online events are held regularly to help answer your questions and support you in your transition to Dalhousie. Learn more at dal.ca/futurestudents.

CAMPUS TOURS
Planning a visit to Canada? Campus tours on our main campus in Halifax or on the Agricultural Campus in Truro are a great way to get to know your new home away from home. Book your visit at dal.ca/campustours.

GET IN TOUCH
We want to help you make the best decision for you. Don’t hesitate to reach out with questions about undergraduate programs, competitive requirements, tuition, entrance awards and the application process. Learn how to contact an advisor at dal.ca/connect.

Follow us on Instagram, Facebook or Twitter to learn more about what's happening at Dalhousie.
