

# GRADUATE APPLICATION ADDITIONAL INFORMATION FORM

Graduate Programs (MA Health Promotion, MSc Kinesiology, and MA Leisure Studies)

School of Health and Human Performance  
Dalhousie University

Full Name: \_\_\_\_\_ Program applying to: \_\_\_\_\_

1. Before accepting students into the graduate program, we ensure that a suitable faculty member is available to serve as the student's thesis supervisor. We assign supervisors on the basis of their availability and alignment with the student's research interests. Please list, in order of priority, a maximum of three individuals whose area of research most closely matches your own interests. You will find the research interests of faculty on the School of Health and Human Performance [website](#). You are strongly encouraged to contact faculty members with similar interests to determine fit and availability before making your choices.

1<sup>st</sup> Priority \_\_\_\_\_ 2<sup>nd</sup> Priority \_\_\_\_\_ 3<sup>rd</sup> Priority \_\_\_\_\_

2. Please send a copy of a sample of your writing (e.g. a recently submitted term paper) or submit a brief response (one or two typed pages) to one of the following questions:
  - a) What do you envision to be the role of your discipline (Kinesiology, Health Promotion or Leisure Studies) in Canada?
  - b) Identify a current (Health Promotion, Kinesiology or Leisure Studies) related activity issue/problem facing Canada, North America or the world and describe the role and responsibilities that could be assumed by (Health Promotion, Kinesiology or Leisure Studies) professionals in addressing the issue/problem.
3. Indicate which of these research activities you have carried out to date and how many times you have done each (#):

## A: Details

	YES	NO	#		YES	NO	#
Literature review				Designed research study			
Collected data				Analysed data			
Wrote up research study				Published manuscript			

## B: Projects

Honours thesis (independent research project culminating in a full written report)  
Independent research projects as part of a course (please indicate the course number)  
Other research experience

If you checked the first or second box above:

Title of Project: \_\_\_\_\_

Short description of project including the purpose, nature of the research (individual, group, experimental, theoretical, library, research etc.), the procedures used, and type of report (e.g., lab report, thesis): (Attach 1 page if necessary)

---

---

---

---

---

If you checked the third box above, please describe this experience and indicate the role you played: (Attach 1 page if necessary)

---

---

---

---

---

4. Have you applied for an external scholarship (e.g., NSERC, SSHRC, CIHR, NSHRF)?  
Yes (indicate funding agency) \_\_\_\_\_ No
5. Have you taken an introductory statistics course?  
Yes (indicate course number) \_\_\_\_\_ No
6. Have you taken an introductory research methods course?  
Yes (indicate course number) \_\_\_\_\_ No
7. Dalhousie University is an equal opportunity and affirmative action education institution. The University encourages applications from qualified Aboriginal peoples, persons with a disability, racially visible persons and women. Please indicate which of the target groups listed above applies to you, if any. (Answering this question is optional.)
