Dalhousie University is located in Mi'kma'ki, the ancestral and unceded territory of the Mi'kmaq. We are all Treaty people.
PROGRESS: VERB /prə'gres/ TO MAKE ONE'S WAY, IMPROVING OR DEVELOPING IN SKILLS, KNOWLEDGE AND EXPERIENCE.

Shaping a life filled with purpose begins with the foundation of a personal, productive university experience.
Dalhousie has a national and international reputation for academic excellence, innovative research and rich student experience. Beyond teaching and learning, our diverse and inclusive community is committed to supporting your overall growth, wellness and success.

We’re a member of Canada’s top research universities, which means you’ll learn alongside professors conducting ground-breaking research in fields such as ocean studies, advanced materials and clean technology, health and wellness, and governance, society and culture.

At Dalhousie, you’ll have the opportunity to put learning into practice and prepare for future careers and goals. For 200 years, we’ve helped shape lives filled with purpose and produced some of the world’s brightest minds. We look forward to seeing where your time at Dalhousie will take you.

Dal.ca/About
HALIFAX

Home to three of our campuses, Halifax blends old world charm with the excitement of a vibrant, coastal city. You’ll find the energy and variety of a big city packaged in a safe and close-knit community known for its distinctly maritime food, entertainment, history, and culture. One of Canada’s fastest-growing cities and an ideal setting for university students, Halifax is home to innovative tech and entrepreneurial communities, as well as thriving financial and ocean technology sectors.

TRURO

Connected by a shared history and a vibrant future, the town of Truro is an integral part of Dalhousie’s Agricultural Campus. Located only an hour from Halifax, the campus is a beautiful and lively place to study and live.

ALMOST COMPLETELY SURROUNDED BY THE OCEAN, OUR WEATHER IS MODERATED AND INFLUENCED BY THE SEA.

SUMMER
14 °C – 28 °C

AUTUMN
5 °C – 20 °C

WINTER
-9 °C – 0 °C

SPRING

BACHELOR OF SCIENCE (MEDICAL SCIENCES)
**First-year option. For more information visit dal.ca/disp.

UNIVERSITY OF KING’S COLLEGE
Dalhousie offers several programs in partnership with the University of King’s College, to learn more visit ukings.ca.
ADMISSION REQUIREMENTS

Grade 12 or equivalent requirements. International students who meet university entrance requirements in their home country will normally be eligible for admission consideration at Dalhousie.

Visit dal.ca/internationalstudents for admission requirements specific to your country. Admission to programs at Dalhousie is often competitive; meeting the minimum averages cited below does not guarantee admission. Please contact a member of the admissions team for up-to-date information on competitive requirements by program.

ADMISSION REQUIREMENTS BY CURRICULUM

<table>

<tr>
<th>Curriculum</th>
<th>Minimum requirements</th>
<th>Math requirement</th>
<th>Other important information</th>
</tr>
</thead>
<tbody>
<tr>
<td>GCE / British System</td>
<td>5 subjects with 2 A levels or 4 AS levels with grades of &quot;C&quot; or higher</td>
<td>All programs requiring Pre-Calculus require at least AS level Math; All other programs requiring Academic Math – IGCSE or O level</td>
<td>Students who have studied their last 3 years in English and have IGCSE English First Language with a minimum of “B” are exempt from providing proof of English proficiency</td>
</tr>
<tr>
<td>AP (Advanced Placement) / US System</td>
<td>GPA no less than 3.0 on 5 subjects with SAT I score of at least 1100 or ACT composite score of 23, with no individual score less than 20</td>
<td>All programs requiring Pre-Calculus require at least senior-level Algebra and Trigonometry. All other programs requiring Academic Math – grade 12 Math</td>
<td>AP classes with final grades of 4 or 5 will be considered for transfer credit</td>
</tr>
<tr>
<td>IB (International Baccalaureate)</td>
<td>Diploma students must have a predicted total of at least 26 points; Certificate students will be considered on the basis of at least 5 certificates</td>
<td>All programs requiring Pre-Calculus require at least Math 5L; All other programs requiring Academic Math – at least Math Studies SL</td>
<td>Higher level IB classes with grades of 5, 6 or 7 will be considered for transfer credit</td>
</tr>
<tr>
<td>China</td>
<td>Standard XII with at least 5 subjects and scores averaging a minimum of 70%</td>
<td>All programs requiring Pre-Calculus or Academic Math – Standard XII Math</td>
<td>Bachelor of Commerce and Bachelor of Management programs require Standard XII Math</td>
</tr>
<tr>
<td>Countries with a 12 year education system</td>
<td>Academic standing equal to 75% in 5 academic grade 12 subjects</td>
<td>All programs requiring Pre-Calculus require a grade 12 Math class with Pre-Calculus preparation; All other programs requiring Academic Math – grade 12 Math</td>
<td>Conditional admission offered based on English language proficiency test scores</td>
</tr>
</tbody>
</table>

TRANSFER STUDENTS

You may be able to transfer course credits completed at another university to Dalhousie. Normally, a cumulative GPA of at least 2.0 is required to be admitted as a transfer student. Some programs may require higher GPAs. See dal.ca/transfercredits.

ENGLISH PROFICIENCY

Applicants whose first language is not English, or who have not completed at least three years in a high school program taught in English, must provide an English proficiency test score (minimum: IELTS 6.5, with no band below 6.0, or TOEFL 90 Internet-based, with no band below 20). Other English language proficiency test scores are also accepted.

If you meet the academic criteria but need further preparation in English language, you may be admitted conditionally based on registration in an ESL program offered by Dalhousie or one of our partner institutions. More information is available at dal.ca/esl.

Transcripts and test scores should be mailed or emailed to Dalhousie directly from your school, testing agency or issuing institution. Include a certified English translation if documents are written in another language. Mail to: Registrar’s Office, Dalhousie University, 6299 South Street, PO Box 15000 Halifax, Nova Scotia, B3H 4R2, Canada.

*Academic Math / **Pre-Calculus. For a complete list of Math courses that fulfill this requirement, see the chart on Page 11.

1. Students who wish to complete first year in the Integrated Science Program must apply to the Bachelor of Science or Medical Sciences program and select the Integrated Science option on the application form. In addition to meeting the English and Math requirements for the BSc, students must also complete two of Chemistry, Biology or Physics and one additional university preparatory course.
2. In addition to the standard admission application to Dalhousie, this program requires additional information or documentation, visit dal.ca/supplementalinfo for details.
3. See dal.ca/admissions for specific Faculty of Agriculture admission requirements.
ACADEMIC EXPERIENCE

With our broad selection of programs, classes, majors and minors, you can build a program that speaks to your individual goals — and prepares you to achieve them when you graduate. From day one, you’ll have the chance to participate in the unique projects of researchers driven to learn more about the world. From the tree of life to entrepreneurship, from the depths of the ocean to art in public spaces, you can be part of a research community that is changing the world.

Co-op opportunities, internships, practicums, research projects and volunteer opportunities can give you real work experience, professional mentorship and a resume that sets you up for real-world success. At Dalhousie, you’ll find a wide range of ways to put new knowledge into action and make the connection between classes and careers.

AWARDS

Dalhousie’s program of financial awards and assistance includes scholarships, bursaries, emergency loans, on-campus employment and other forms of financial assistance. Scholarships are valued at up to $40,000 (CAD) per program.

The majority of entrance awards at Dalhousie require an application. For more information about awards and the application process, please visit dal.ca/entranceawards.

COMPLETE YOUR APPLICATIONS FOR BOTH ADMISSION AND SCHOLARSHIPS BY MARCH 1.
RESIDENCE

We know a home is so much more than a bed, a desk and a Wi-Fi connection. It’s about feeling secure and supported among the friends and classmates that make up your community. In Halifax and Truro, we’ll help you find your place.

THE BUILDINGS
- New students are guaranteed a place in residence.
- The application deadline is June 30.
- 11 residences (8 in Halifax, 3 in Truro).
- Approximately 75% (Halifax) and 50% (Truro) of our rooms are single occupancy.

THE LIFESTYLE
- Safe and secure buildings — many offer 24-hour front desk support.
- Dedicated support and mentorship from residence life staff.
- Wi-Fi and an entertainment package are always provided in residence rooms.

THE FOOD
- 4 dining halls available in Halifax and 1 on our Truro campus.
- 3 meal plan options for on-campus students in Halifax. Choose from 14, 19 and unlimited meals per week. Truro students always have an unlimited meal plan.
- Plenty of food options: halal, vegan, vegetarian, gluten-free, dairy-free and locally sourced.

Register for a ResLife Learning Community to share a residence setting with students who have similar interests or fields of study.

DAL.CA/RESIDENCE
The transition to university can be overwhelming. Navigating resources, meeting new people, and facing new academic challenges are all part of the experience. Faculty, staff and students at Dalhousie are here to support you as you make your way through your first year and beyond.

ACADEMIC SUPPORT
The academic support services at Dalhousie can help you realize your full potential. From before you arrive on campus to the day you graduate, you can count on our services and resources to help guide you through. On Track programming, for example, helps you transition into university, and supports you through your degree. Visit dal.ca/ontrack.

ATHLETICS
You’ll have plenty of opportunity to get active — from Dalhousie’s diverse mix of varsity, club and intramural programs to athletic facilities including the brand new 57,000-square-foot fitness centre. Rather spend your energy on cheering? Use your DalCard for free admission to varsity home events. Visit dal.ca/athletics.

GET INVOLVED
Students who are more involved on campus and in campus activities are more likely to be academically successful. That’s why Dalhousie has numerous opportunities for you to engage in the campus community. While there are over 400 active student societies here, there are also opportunities to volunteer, take part in research and discover your strengths and passions.

HEALTH & WELLNESS
Life as a university student is challenging, fun and sometimes stressful. At Dalhousie, we work together to create a caring, safe and healthy community in which we can all study, work, live and play. There are plenty of services – such as Dalhousie Multifaith Services – programs and resources on campus to help you improve your overall health and well-being and manage the challenges of university life.

JOBS, CAREERS & REAL WORK EXPERIENCE
You need to make a lot of decisions about your education, work and personal life when you plan your career. Dalhousie has plenty of services and resources available to support you in your career planning.

COMMUNITY & CULTURE
Dalhousie prides itself on being an inclusive community and ensuring that everyone on our campuses feels welcome, comfortable and safe. Part of that is making sure there are opportunities to connect with other students who have similar backgrounds, interests, personal circumstances and goals.
STUDY PERMITS & VISAS

As an international student, there are a number of documents you will need to obtain to study in Canada. You are responsible for maintaining your immigration status and obeying immigration regulations while you’re here. International students must apply for a Study Permit and possibly a Temporary Resident Visa (TRV) to enter and study in Canada. You’ll need certain documents, like a valid passport and your letter of acceptance from Dalhousie to apply. Learn all you need to know at dal.ca/international.

CHECKLIST

EXPLORE
- Explore dal.ca and dal.ca/connect.
- Review program options and admission requirements.

APPLY
- Submit your application.
- Submit your official transcripts and, if required, your English language scores.
- Confirm your offer.
- Apply for residence by June 30.

PLAN
- Connect with an advisor.
- Apply for a study permit.
- Complete any required language upgrading.
- Choose your courses.
- Set up and check your Dal email for regular updates.
- Register for orientation.

ARRIVE
- Move into residence.
- Attend orientation.
- Begin classes.
- Get to know your classmates and residence community.
