

The following list of approved “higher science” course requirements from some universities in the Atlantic provinces is provided to assist you in selection of prerequisite courses. Please note that this list is not complete for all universities and recent changes may not be reflected.

If you have any questions please contact the Faculty of Dentistry by emailing dentadmis@dal.ca.

University	Organic Chemistry	Biochemistry	Microbiology	Physiology
Acadia University		Chem. 2713	Biol. 2053	Biol. 2813 & 2823 OR 3173 & 3183
Cape Breton University		Chem. 261	Biol. 145	Biol. 3203 + 3231
Dalhousie University	CHEM 2401+ 2402 or CHEM 2441	BIOC 2300	MICI 2100	PHYL 1010/1000 OR PHYL 2044 + PHYL 2041 OR BIO 3078 + BIO 3079 OR PHYL 1400 (for Pharmacy students)
Memorial University of Newfoundland	Chem. 2400+ 2401 or 2440	Biochem. 2101	Biol. 3050	Biol. 3401 OR Med. 310A & B OR Biochem. 311A & 311B
Mount Allison University		Biochem. 2001	Biol. 3101, Biol. 3111	Biol. 3201 & 3211
Mount Saint Vincent University		Chem. 3501	Micro. 2202	Biol. 2240 & 3310
Saint Francis Xavier University		Chem. 255	Biol. 315	Biol. 304 & 395 (265 & 295) OR 251 & 252
Saint Mary’s University		Chem. 3451	Biol. 3398	Biol. 3004 + Biol. 3878
Université de Moncton				
University of New Brunswick, Saint John		2065	2485	Biol. 3055 and either 3635 or 4775
University of New Brunswick, Fredericton	Chem. 2421/2416 and 2422/2857	Biol. 2033	Biol. 2073	Biol. 3801/3908 and 2792
University of Prince Edward Island	Chem. 243	Chem. 353	Biol. 206	Biol. 401 & 402
