YOU BELONG AT DALHOUSIE

WHERE YOU’LL LEARN from the top experts in their fields who are also winning awards for their teaching.

Where you can choose from over 200 programs and the largest variety of courses in Atlantic Canada to play to your strengths and create a unique-to-you degree.

Where you’ll put your learning into practice with integrated hands-on and workplace experiences that ensure you’re job ready at graduation.

Where, as one of Canada’s top research universities, researchers are solving today’s global issues and changing the world with their discoveries — who knows what they’ll inspire in you.

Where you’ll feel welcome and valued for who you are and who you aspire to be as part of a diverse and inclusive community that’s here for you and designed to support your growth, wellness and achievement.
19,557 TOTAL STUDENTS // 14,933 UNDERGRADUATE STUDENTS // 62% OUT-OF-PROVINCE STUDENTS // 24% INTERNATIONAL STUDENTS //

200+ PROGRAMS // 2,000+ WORK-TERMS // 130+ MASTER’S AND PHD PROGRAMS // $27M UNDERGRADUATE FINANCIAL AWARDS //

$181M+ ANNUAL FUNDED RESEARCH // 91 RHODES SCHOLARS // 150,000+ ALUMNI
HALIFAX
Halifax is one of Canada's fastest-growing cities and features innovative tech and entrepreneurial communities, as well as thriving financial and ocean sectors. As the capital of Nova Scotia, Halifax is the most multicultural city in the province and home to more than 425,000 people. Known for distinctly East Coast food, entertainment, history and culture, Halifax has everything you’d expect from an urban centre within a safe and close-knit community.

TRURO
Dalhousie’s Agricultural Campus in Truro is a friendly community designed for exploration and discovery. Only an hour from Halifax, the beautiful town of Truro is home to a vibrant downtown with a range of activities, shops and experiences.

DALHOUSIE UNIVERSITY IS LOCATED IN MI’KMA’KI, THE ANCESTRAL AND UNCEDED TERRITORY OF THE MI’KMAQ. WE ARE ALL TREATY PEOPLE.
WE RECOGNIZE THE HISTORIES, CONTRIBUTIONS AND LEGACIES OF THE AFRICAN NOVA SCOTIAN PEOPLE WHO HAVE BEEN HERE FOR OVER 400 YEARS.
Our weather is moderated and influenced by the ocean that surrounds us.

- **SPRING**: 1°C – 17°C
- **SUMMER**: 14°C – 28°C
- **AUTUMN**: 5°C – 20°C
- **WINTER**: -9°C – 0°C
From day one you’ll learn from researchers who are tackling some of the biggest challenges of our time — including the global pandemic and important social justice issues. You'll have a chance to participate in the projects of researchers driven to create a better and more sustainable future for all. In fact, Dalhousie has ranked in the top 100 universities in the world who are making an impact on achieving the United Nations’ Sustainable Development Goals. (Times Higher Education 2020 Impact Rankings.)

OPPORTUNITIES TO LEARN BY DOING ARE PART OF EVERY DEGREE PROGRAM.

In every program, you’ll find a wide range of ways to put new knowledge into action and make the connection between classes and careers. Take part in co-op opportunities, internships, practicums, research projects and volunteer opportunities that give you real work experience, professional mentorship and a resumé that sets you up for career success.

RANKED TOP TEN IN CANADA FOR GRADUATE EMPLOYABILITY

(EMERGE REPORT, TIMES HIGHER EDUCATION, 2019)
COVID-19 has changed the way we engage with you for now, but we are working hard to deliver a meaningful Dalhousie experience. We remain dedicated to academic excellence, to creating new opportunities for connection and to supporting our community’s safety. Visit dal.ca/futurestudents for the latest information. We hope we’ll be welcoming you to campus soon.
FACULTIES, PROGRAMS & MAJORS

FACULTY OF AGRICULTURE
(Programs available exclusively on the Agricultural Campus in Truro)

BACHELOR OF AGRICULTURE
(With Aeres University of Applied Sciences in the Netherlands)
International Food Business

BACHELOR OF SCIENCE (AGRICULTURE)
Agricultural Business • Agricultural Economics •
Animal Science • Aquaculture •
Environmental Sciences • Integrated Environment, Sustainability and Society
BACHELOR OF SCIENCE (BIOVETERINARY SCIENCE)
BACHELOR OF TECHNOLOGY
Landscape Architecture • Small Business Management

DIPLOMA IN ENGINEERING
(Available in Truro and Halifax)

PRE-VETERINARY MEDICINE

TECHNOLOGY DIPLOMAS
Veterinary • Managed Landscapes •
Plant Science • Business Management

FACULTY OF ARTS AND SOCIAL SCIENCES

BACHELOR OF ARTS
Canadian Studies • Cinema and Media Studies •
Classics • Contemporary Studies • Creative Writing • Early Modern Studies • English •
Environment, Sustainability and Society •
European Studies • French • Gender and Women’s Studies • German • History • History of Science and Technology • International Development Studies • Law, Justice and Society •
Music • Philosophy • Political Science • Religious Studies • Russian Studies • Sociology and Social Anthropology • Spanish and Latin American Studies • Theatre: Acting, Costume Studies, Scenography, Theatre Studies

BACHELOR OF MUSIC

FACULTY OF COMPUTER SCIENCE
(Focus areas specific to each degree are listed below but these are not yet formalized majors.)

BACHELOR OF APPLIED COMPUTER SCIENCE CO-OP
Software Development • Database Systems •
Web-Centric Computing • User Interface Design •
Privacy & Security • Project Management

BACHELOR OF COMPUTER SCIENCE CO-OP
Software Development • AI & Machine Learning •
Cloud Computing • Algorithms • Networking & Cybersecurity • Graphics & Gaming

FACULTY OF ARCHITECTURE AND PLANNING

BACHELOR OF COMMUNITY DESIGN
Environmental Planning • Environment, Sustainability and Society • Urban Design Studies

FACULTY: A unit of related academic departments. DEGREE PROGRAM: A defined course of study that leads to an academic qualification (e.g., Bachelor of Arts). MAJOR: A defined topic of study or subject concentration within a degree program. CO-OP: The option to participate in paid work term(s) in your area of study.
FACULTY OF ENGINEERING

DIPLOMA IN ENGINEERING
(Available in Halifax and Truro)

BACHELOR OF ENGINEERING CO-OP
Chemical • Civil • Electrical • Environmental • Industrial • Mechanical

BACHELOR OF ENGINEERING CONCURRENT WITH Bachelor of Science • Bachelor of Arts

FACULTY OF HEALTH

BACHELOR OF SCIENCE (HEALTH PROMOTION)
BACHELOR OF SCIENCE (KINESIOLOGY)
BACHELOR OF SCIENCE (NURSING)
BACHELOR OF SCIENCE (RECREATION)

BACHELOR OF HEALTH SCIENCE
Diagnostic Medical Ultrasound • Nuclear Medicine Technology • Radiological Technology • Respiratory Therapy

BACHELOR OF SCIENCE (RECREATION) / BACHELOR OF MANAGEMENT COMBINED

FACULTY OF MANAGEMENT

BACHELOR OF COMMERCE
(mandatory co-op)
Accounting • Entrepreneurship • Finance • International Business • Managing People and Organizations • Marketing • Supply Chain and Logistics Management

BACHELOR OF MANAGEMENT
(internship options)
Entrepreneurship and Innovation • Environment, Sustainability and Society • Managing Data and Information • Leadership and Organizations • Public Sector Management

BACHELOR OF MANAGEMENT / BACHELOR OF SCIENCE (RECREATION) COMBINED

FACULTY OF SCIENCE

BACHELOR OF SCIENCE
Actuarial Science • Biochemistry and Molecular Biology CO-OP • Biology CO-OP • Chemistry CO-OP • Earth Sciences CO-OP • Economics CO-OP • Environment, Sustainability and Society • Environmental Science CO-OP • Integrated Science Program (ISP) • Marine Biology CO-OP • Mathematics CO-OP • Microbiology and Immunology CO-OP • Neuroscience • Ocean Sciences • Physics and Atmospheric Science CO-OP • Psychology • Statistics CO-OP

**First-year option. For more information visit dal.ca/dispcp.

BACHELOR OF SCIENCE (MEDICAL SCIENCES)

MINORS
Add a minor (an additional topic of study) to your degree. To explore all available minor options visit dal.ca/minors.

FUTURE AREAS OF STUDY
Future study possibilities include professional programs such as Architecture, Dentistry, Law, Pharmacy, Social Work and more. You’ll also have the foundation to pursue graduate options at Master and PhD levels. Professional and graduate programs require one or more years of post-secondary study, or the completion of a degree program, before you’re eligible to apply. Visit dal.ca/programs for more information about these options.
GRADE 12 OR EQUIVALENT REQUIREMENTS

International students who meet university entrance requirements in their home country will normally be eligible for admission consideration at Dalhousie. Visit dal.ca/internationalstudents for admission requirements specific to your country.

Admission to programs is often competitive; meeting the minimum averages noted below does not guarantee admission. We recognize the pandemic has resulted in disruptions, contact a member of the admissions team at dal.ca/connect for up-to-date information. Visit dal.ca/supplementalinfo to learn more about programs with other requirements.

</table>

*Conditional admission offered based on English language proficiency test scores

ADDITIONAL ADMISSION INFORMATION

TRANSFER STUDENTS
You may be able to transfer course credits completed at another university to Dalhousie. Normally, a cumulative GPA of at least 2.0 is required to be admitted as a transfer student. Some programs may require higher GPAs.

We recognize that the pandemic has resulted in transcript or grade changes for many students, please contact a member of the transfer credit team at dal.ca/transfercredits for up to date information.

ENGLISH PROFICIENCY
Applicants whose first language is not English, or who have not completed at least three years in a high school program taught in English, must provide an English proficiency test score (minimum: IELTS 6.5, with no band below 6.0, or TOEFL 90 Internet-based, with no band below 20). Other English language proficiency test scores are also accepted.

If you meet the academic criteria but need further preparation in English language, you may be admitted conditionally based on registration in an ESL program offered by Dalhousie or one of our partner institutions. More information is available at dal.ca/esl.

SUBMITTING DOCUMENTS
Transcripts and test scores should be emailed to Dalhousie directly from your school, testing agency or issuing institution. Include a certified English translation if documents are written in another language.
## ESTIMATED COSTS

**Fall and Winter Term**

**FOR INTERNATIONAL STUDENTS**

<table>

<tr>
<td>(lodging and food)**</td>
<td>$10,131 – $13,465</td>
</tr>
<tr>
<td>Health insurance***</td>
<td>$728</td>
</tr>
<tr>
<td><strong>Total</strong></td>
<td><strong>$35,351 – $41,915</strong></td>
</tr>
</tbody>
</table>

Estimates for tuition and incidental fees are based on approved rates for 2020/21 as information only. Fees are subject to increase with each year of study, effective Summer Term. Visit dal.ca/tuition to calculate your costs.

* Fees vary by program.

** Costs will vary depending on room type and meal plan selected.

*** Based on 2020/21 rate and is subject to change.

DAL.CA/MONEYMATTERS
A university education is a significant financial investment. Dalhousie’s program of financial awards and assistance includes scholarships, bursaries, emergency loans, on-campus employment and other forms of financial assistance. Scholarships are valued at up to $40,000 (CAD) per program.

Understanding your financial picture and learning how to manage your money will help you succeed in your degree and your life beyond. For information, tools, and strategies visit dal.ca/financialaid.

**ENTRANCE AWARDS**

The majority of entrance awards require completion of the General Entrance Award application. For more information about the process and other award opportunities, please visit dal.ca/entranceawards.
It doesn't get any more convenient than living on campus — you're minutes from classes and, with a meal plan, it's easy to refuel and get on with your day. You'll also be surrounded by new friends from near and far who want to get as much out of campus life as you do.

**THE RESIDENCES**
- New from high school students are guaranteed a place in residence.*
- 11 residence buildings (8 in Halifax, 3 in Truro).
- 79% (Halifax) and 47% (Truro) of our rooms are single occupancy.

**THE LIFESTYLE**
- Safe and secure buildings — most offer 24-hour front desk support.
- Support and mentorship from residence life staff.
- Dedicated high-speed Wi-Fi and a streaming entertainment service.
- ResLIfe Learning Communities bring students with similar interests or fields of study together.

**THE FOOD**
- Meal plans in Halifax include 14, 19 or unlimited meals at our Dining Halls per week. Truro students always have an unlimited meal plan. Enjoy locally sourced, halal, vegan, vegetarian, gluten-free and dairy-free options at every meal.
- Meal plans also include Food Bucks you can use at several cafés and restaurants on and off campus.
- In-residence kitchen facilities allow you to make your own favourite comfort foods.

*Subject to any required COVID-19 response.

STUDENT SUCCESS

Life at university is a new experience, so we’re here to help with navigating resources, meeting new people and managing academic challenges. Our faculty, staff and students are ready to support you as you make your way through your first year and beyond.

ACADEMIC SUPPORT
Academic support services can help you realize your full potential. From before you arrive on campus to the day you graduate, you can count on our services and resources to help guide your way.

Get advice on program requirements, learn how to study better, get help with your writing skills, apply for academic accommodations and even find a tutor. Visit dal.ca/academicsupport

ATHLETICS
You’ll have plenty of opportunities to get active — from Dalhousie's diverse mix of varsity, club and intramural programs to use of athletic facilities including the new fitness centre. Rather spend your energy cheering? Students have free admission to varsity home events. Visit dal.ca/athletics.

COMMUNITY AND CULTURE
We’re proud to be an inclusive community that aspires to ensure everyone feels welcome, valued and safe. Part of that is offering a variety of opportunities to connect with other students who have similar backgrounds, interests, personal circumstances and goals.

GET INVOLVED
Research shows that the more involved you are in campus activities the more likely you’ll succeed in your studies. That’s why we have lots of opportunities for you to show up and join in. You'll find more than 400 active student societies and regular campus events, as well as opportunities to volunteer, take part in research and discover your strengths and passions.

HEALTH & WELLNESS
As a university student, you’ll challenge yourself, have some fun and sometimes feel stress. By working together, we’ve created a caring, safe and healthy community that supports all of us as we study, work, live and play. Plenty of services, programs and resources are available on campus to help you take care of your overall health and well-being, and manage the pressures of university life.

JOBS, CAREERS & REAL WORK EXPERIENCE
When it comes time to plan your career path, you’ll need to make a lot of decisions about your education, work and personal life. Dalhousie has plenty of services and resources available to support you as you transition from university to the working world.
Drop by the International Centre for fun and informative orientation programs and cultural events, a welcoming lounge and study space as well as referral and advising services related to immigration, health care, finances, travel and personal matters.
As an international student, there are a number of documents you'll need to obtain to study in Canada. You're responsible for maintaining your immigration status and obeying immigration regulations while you're here.

International students must apply for a Study Permit and possibly a Temporary Resident Visa (TRV) to enter and study in Canada. You'll need certain documents, like a valid passport and your letter of acceptance from Dalhousie to apply. Learn all you need to know at dal.ca/international.
This year, things are a little different so we’re making it easier than ever to explore Dalhousie from right where you are. Try on the Dalhousie experience and discover how we can help you achieve your goals. Visit dal.ca to learn more about what we offer and everything you need to know before you arrive.

**MEET US ONLINE**
Online events are held regularly to help answer your questions and support you in your transition to Dalhousie. Learn more at dal.ca/futurestudents.

**CAMPUS TOURS**
Virtual tours of our main campus in Halifax or of the Agricultural Campus in Truro are a great way to get to know your new home away from home. Take a look at dal.ca/campustours.

**GET IN TOUCH**
We want to help you make the best decision for you. Don’t hesitate to reach out with questions about undergraduate programs, competitive requirements, tuition, entrance awards and the application process. Learn how to contact an advisor at dal.ca/connect.

Follow us on Instagram, Facebook or Twitter to learn more about what’s happening at Dalhousie.

**READY TO APPLY?**
Get started at dal.ca/applynow.
OCTOBER 15: Admission and entrance award applications open.

NOVEMBER: Explore and research programs.

FEBRUARY 15: Application deadline for Health Sciences.

FEBRUARY 28: Application deadline for Nursing and Vet Tech.

MARCH 1: Entrance award application deadline.

MARCH 15: Application deadline for Medical Sciences.
**APRIL 1:**
International student application deadline.

**JUNE:**
First-year registration opens. Send final transcripts. Residence assignments begin.

**JULY:**
Submit your photo for your DalCard.

**LATE AUGUST / EARLY SEPTEMBER:**

**APRIL 15:**
Enterance award offers sent out.

**MAY 15:**
Admission deposit due. Deadline to accept entrance award offers.

**JUNE 15:**
Guaranteed* residence application deadline.

**JULY / AUGUST:**
Participate in Start On Track programming online. Order your textbooks.
