### Top 10 in Canada for Graduate Employability
(Emerging, 2021-22 in Times Higher Education)

### One of Canada’s Top 15 Universities
(Times Higher Education World University, 2022; Academic Ranking of World Universities, 2021; QS World University Rankings, 2023)

### Among the Top 300 Universities Globally
(Academic Ranking of World Universities, 2021; Times Higher Education World University Rankings, 2022)

### The Top University in Atlantic Canada
(Academic Ranking of World Universities, 2021; Times Higher Education World University Rankings and QS World University Rankings, 2022)

### The Only Medical Doctoral University in Atlantic Canada
(Maclean’s, 2022)

### 186 Academic All-Canadians
Student-athletes who maintain a grade point average (GPA) of at least 3.50 during the academic year while competing in a varsity sport.
Nova Scotia is a welcoming province that is home to thousands of university students. Locals are friendly, knowledgeable and always happy to help. Your Dalhousie classmates will help you feel settled when you first set foot on campus. We take great pride in creating a space where all students feel a sense of belonging.

Our Halifax campus is in the heart of Nova Scotia’s capital—one of Canada’s fastest-growing cities, located only steps from the Atlantic Ocean. You will feel the dynamic energy in the air as you explore every corner of the city, from a diverse food scene and innovative hubs of technology and business to exciting sports events, beach days and coastal hikes. There is something undeniably special about this city and our laid-back East Coast lifestyle—experience it for yourself.

An hour from Halifax you’ll find our Agricultural Campus, located in Truro. A place where local industry meets global innovation, Truro is a growing and community-focused town.

On our campuses, you will be part of a thriving student environment and have access to everything you need—from housing, libraries, and late-night study spaces to fitness and recreational activities, live music and delicious food. If you want to play on a sports team or play the lead in a theatre production, join a club or volunteer, you will find new friends while doing what you love. No matter where you are on campus, you’ll feel Dal’s student spirit.

Dalhousie is proud to be an inclusive community that works to ensure everyone feels welcome, valued and safe. We offer a variety of opportunities to connect with other students who have similar backgrounds, interests, unique needs and goals. Be a part of a vibrant culture that is driven to make positive change in the world and is committed to equity, diversity, inclusion and access.
WHERE BIG IDEAS MEET BIG OPPORTUNITY

Your learning goes beyond the classroom and directly into the world. With opportunities such as cooperative education, practicums, field courses and labs, you’ll have plenty of opportunities to get real-world experience and learn skills that will give you a step up in the job market. At Dal, we offer you the flexibility to build a degree that suits you and your journey.

Don’t take our word for it—hear what actual students have to say about their Dal experience at dal.ca/student-stories.

WHERE INTERACTIVE LEARNING MEETS INDUSTRY LEADERS

As a Dalhousie student, you will be learning from award-winning professors and researchers as you interact with them directly. Our focus has always been providing an exceptional and collaborative community that supports our students to succeed. Unique and innovative partnerships with startups and established businesses mean that you’ll have the opportunity to learn alongside your peers and industry leaders from our region and around the world.

FACULTIES, PROGRAMS AND MAJORS

TERMS YOU NEED TO KNOW

FACULTY: A group of related academic departments.

DEGREE PROGRAM: A defined course of study that leads to an academic qualification (e.g., Bachelor of Arts).

MAJOR: Your primary topic of study or subject concentration within a degree program. For example, you could pursue a Bachelor of Arts degree with a major in History, English, Political Science, etc.

MINORS: Add a minor (an additional/secondary topic of study) to your degree. For example, you could pursue a Bachelor of Arts degree with a major in History and a minor in French. To explore all available minor options visit dal.ca/minors. (Students typically choose major(s) and minor(s) at the end of their first year of study.)

CO-OP (COOPERATIVE EDUCATION): The option to participate in paid work terms in your area of study.

FUTURE AREAS OF STUDY: Future studies might include professional programs such as Medicine, Law, Dentistry, Pharmacy, Social Work, Architecture and more. You’ll also have the foundation to pursue graduate options at Master’s and PhD levels. Professional and graduate programs require one or more years of post-secondary study, or the completion of a degree program, before you’re eligible to apply. Visit dal.ca/programs for more information about these options.

READY, PREP, GO!

Need a hand preparing for university? We can help you get there! Upgrade your marks, earn a prerequisite to enter a specific program, improve your English proficiency, transition into university, or earn a certificate through our Faculty of Open Learning & Career Development. Find out more at dal.ca/openlearning.

EVEN MORE OPTIONS WITH KING’S

Dalhousie offers several programs in partnership with the University of King’s College. Our two schools together give you the ability to personalize your start, your degree and your future. Grounded in finding and nurturing your passions and goals we can help customize your unique undergraduate experience. To learn more about the University of King’s College, visit ukings.ca/dal-kings.

ADMISSION REQUIREMENTS

Admission to programs is often competitive; meeting the minimum averages noted below does not guarantee admission. Courses with grades below 60% are not eligible for admission consideration. Visit dal.ca/highschoolrequirements for specific course requirements. Visit dal.ca/supplementalinfo to learn more about programs with other requirements.

For a list of provincial math courses that fulfill the requirements, see the chart on page 9.

WE’VE GOT YOUR BACK

From application to graduation, we’re here for you. We have resources and supports available that cater to the individual needs of students. Get to know the resources available to you at dal.ca/studentsuccess.

HERE TO SUPPORT YOU
Our team will help you navigate the admissions process to ensure you have the information to make the best decisions for you. Don’t hesitate to reach out with questions about undergraduate programs, admission requirements, tuition, entrance awards and the application process. We also have information sessions available on demand and throughout the year.

Learn how to contact an advisor at dal.ca/connect.
Register for upcoming events at dal.ca/futurestudentevents.
Follow @DalhousieU on Instagram, Facebook and Twitter to learn more about what’s happening.

CAMPUS TOURS
See it for yourself. Explore from wherever you are or book your in-person tour of Dalhousie. Virtual tours and in-person tours of our Halifax and Truro campuses are available year-round at dal.ca/campustours.

UNIQUE SUPPORT FOR UNIQUE NEEDS
No matter what your financial circumstances may be, there are many financial supports and options available to you, such as scholarships and bursaries, student loans, part-time employment, and internships or co-op work terms.

Understanding your financial picture and learning how to manage your money will help you succeed in your degree and your life beyond university. For information, tools and strategies visit dal.ca/moneymatters.

TUITION AND FEES
Costs vary depending on the program, residence accommodation, dining options and other aspects of your student experience. For a detailed estimate based on your academic program of interest, use the Tuition Fee Calculator at dal.ca/feecalculator.

SCHOLARSHIPS AND BURSARIES
Each year, more than 2,000 entrance awards are offered to a diverse and competitive pool of applicants. These awards are based on a variety of criteria including academics, leadership, extracurriculars, community service, financial need and cultural identity. Students must apply through the General Entrance Award application to be considered. For more information, please visit dal.ca/entranceawards.

LEARN MORE at dal.ca/futurestudents.
WHERE RESIDENCE LIVING MEETS STUDENT LIFE

It is very convenient and safe to live on campus. Immerse yourself in the university experience by living in residence where you have access to a meal plan, transportation, and events. You will be surrounded by new friends from around the world and a supportive residence team including Residence Life managers, community assistants and a community safety team, all while being within walking distance from class (especially handy for those early lectures).

THE RESIDENCES
• 11 residence buildings (8 in Halifax, 3 in Truro).
• 79% (Halifax) and 47% (Truro) of our rooms are single occupancy.

GETTING AROUND
For full-time Dal students based in Halifax, the UPass transit program makes it easy to get around and discover everything the city has to offer. Find more info at dal.ca/upass.

THE LIFESTYLE
• Support and mentorship from Residence Life staff.
• Dedicated high-speed Wi-Fi and a streaming entertainment service.
• Safe and secure buildings — most offer 24-hour front desk support.

THE FOOD
Meal plans in Halifax include 14, 19 or unlimited meals at our dining halls per week. Truro students always have an unlimited meal plan. Enjoy locally sourced, halal, vegan, vegetarian, gluten-free and dairy-free options at every meal.

Meal plans also include Food Bucks you can use at several cafés and restaurants on and off campus.

In-residence kitchen facilities allow you to make your own favourite comfort foods.

Take a peek at what it would be like to live here! Experience residence through our video tours at dal.ca/residence.

You may qualify for guaranteed residence at Dalhousie. To learn more about eligibility for guaranteed residence or the residence application process, please visit dal.ca/residence.
We’re here to help with navigating resources, meeting new people and managing academic challenges. Our faculty, staff and students are ready to assist you as you make your way through your first year and beyond. We’ve got you covered, whether you’re looking for academic support, accessibility and accommodations; athletics, health and wellness; or Black, Indigenous and international student advising and resources.

Find the resources and support you need at dal.ca/campuslife.
