

2014-2015 Undergraduate Fee Schedule - Estimates

Estimates are provided as information only until fees are assessed based on registration

IMPORTANT - Tuition fees are assessed at the approved rate for each course selected rather than the degree to which you've been admitted.

For example, a student in an Arts degree taking Science electives, will pay the Science rate for their Science courses and the Arts rates for each of their Arts courses.

Refer to the tuition codes and billing hours on the academic timetable at www.registrar.dal.ca/timetable for course specific information.
