

Salmon is good. Mowi is Goodness

Veterinarian

Are you looking for an incredible career opportunity with a global leader? As a Veterinarian at Mowi Canada West, you will be part of the world's largest salmon farming company and can be involved in shaping the future of the Aquaculture industry. We are committed to creating a sustainable food source and need your professional expertise to make sure our salmon are given the best possible care.

Located in beautiful Campbell River, we offer an amazing work life balance that includes a flexible schedule, weekends and long weekends off, no after-hour emergency calls or "on-call" shifts. Our competitive compensation package includes an above average salary, medical, dental and life insurance, annual production bonus, employee wellness benefit, kids camp benefit, opportunity for personal and professional development including continuing education and paid professional dues.
