

## Application for the Paul C. Harris Travel Scholarship

The Paul C. Harris Travel Scholarship can be awarded to full-time graduate students in a Master's or Doctoral program in the Faculty of Agriculture only. In order to be eligible, students must present a poster or paper based on the results of their graduate thesis research at a national or international scholarly meeting or conference. A student is eligible for one travel scholarship per degree, and the student must be registered in the term when applying and the term that the conference occurs. Supervisor approval must be signified by signature on the application. The maximum amount awarded is \$250; this amount is subject to change.

Please refer to the Dalhousie Travel Policy located on the Financial Services website under "Travel Information". Per diem rates are as follows: Breakfast \$12.00; Lunch \$16.00; Dinner \$26.00.

Travel costs can be claimed only for travel from Truro to the location of the conference and must be based on the lowest available fares. Abstract, poster, banquet, and visa costs are not eligible. For conferences within 100km of Truro, only registration costs can be claimed; travel costs and per diem costs are not eligible.

Students traveling outside Canada must complete the Pre-Departure Session available at the International Centre Website.

**Health coverage:** Please be advised that international students on Study Permits are eligible for MSI insurance services only in Nova Scotia. All students should ensure they have adequate health coverage while out of the province.

If approved, you will receive a letter of confirmation via email. Please note: conference travel grant decisions are not subject to appeal.

After the conference, a completed travel expense claim form (available on the Financial Services website), together with original receipts (including all boarding passes) **must be submitted within 30 days to the Graduate Studies Office.**
