5aside Indoor Soccer Rules

**NOTE:** Only an Indoor Futsol Ball is to be used inside the gym, no Outdoor Soccer Balls are permitted.

**NOTE 2:** Ball must be kept low at all times (below the height of the net to avoid contact with wall tiles surrounding the gym)

- To start a game each team must have a minimum of 4 players. At least 4 players are required at all times to continue play during regulation time. In coed games a maximum of 3 players excluding the goalie can be male.

- 2 X 20 minute halves

- The game is Futsol so the outside edge of the black lines marking the basketball court are the out of bounds line. There is no playing the ball off the walls! Once the ball hits a wall it is an automatic turnover.

- All re-starts either from out of bounds or a foul are kick ins from the closest spot on the sideline where the infraction occurred and are indirect (can’t score directly from a re-start)

- Once the official issues one warning, a second warning will be an automatic ejection from the game. Arguing this decision will result in further suspensions

- No offside

- 4 out players and one keeper

- Keepers may only put the ball back into play using a kick in or with an underhand throw. If a keeper crosses the middle line with the ball then the opposing team will be awarded a free kick (not a penalty kick).

- Keepers may only use their hands inside the basketball key

- The Intramural Official on the Floor has FINAL decision making authority in all playing situations
- On your team’s second default your team is removed from the league

- Any player persistently arguing with Intramural Staff or opponents will be removed from the league.

- Any team that has two players removed during the season due to persistently arguing with Intramural staff or opponents will be removed from the league. Teams must have a minimum of 4 players to start a game.
