Use of the track is usually only affected by exams however, and all other activities/programs are temporarily relocated to Studley Gym or Sexton Gym whenever possible.

Be sure to check our website for information on any activity location changes, area closures or reduced hours or cancellations for holidays and special events. In addition, current information on fitness class schedules, instructors and changes is available on our Fitness Hotline, 902-494-2119.

EVENTS AFFECTING FIELDHOUSE AVAILABILITY:
• Dalhousie exams in December and April
• Dalhousie varsity athletics, clubs and intramural events throughout the academic year
• Dalplex & Dal Tigers day camps in the summer, Christmas/March breaks and PD School Days.

Memberships will not be adjusted due to the scheduling of these special events and programs.

Maintenance Periods
For maintenance purposes, certain areas of our buildings need to be closed as required to accommodate necessary repairs. Notice will be posted in advance. These actions are taken to ensure the integrity of the facility and the safety of our members and every effort will be made to schedule this work during non-peak usage periods and to complete it as quickly as possible.

Memberships will not be adjusted to account for loss of access to certain areas or amenities during repairs or maintenance.
Fieldhouse Temperatures
Please be aware that during and after periods of inclement weather (ie: snow storms) and throughout the summer months, temperatures in the fieldhouse may be higher than normal. Please use your best judgement and adjust your personal exertion and hydration levels accordingly.

Parking
Client Experience Centre 902-494-3372
One (1) Dalplex parking pass is included as part of your annual Dalplex membership. A maximum of one (1) additional pass can be requested for a second family member (family or add-on membership only) with proof of vehicle registration.

Exception: Dalhousie faculty, staff or student memberships. To park at Dalplex, faculty, staff and student members (and their spouses/dependant children) must purchase a university parking permit through Dalhousie Security Services.

Short term memberships (i.e.: 5/10/20 visit passes, day passes, summer memberships, etc.) are not eligible for Dalplex parking passes - you can park at a meter, in a pay-and-display lot, on a side-street or in a non-metered spot on weekdays, 4:30pm-1am, and 7am-1am on weekends.

There are also **five (5) accessible parking spots** and **six (6) electronic vehicle (EV) charging stations**, all of which require a **valid Dalplex or Dalhousie University parking permit**. (The accessible parking spots require an accessible parking permit and only electronic vehicles may park at the EV charging stations.) EV charging stations are meter operated Monday - Friday between 7am-4:30pm.

The Dalplex parking lot is monitored by Dalhousie Security Services. Tickets are the responsibility of the member or visitor and any inquiries or disputes should be directed to Dalhousie Security Services and the issuing officer. Vehicles with Dalplex permits or no permit will be ticketed and/or towed if illegally parked in University designated spaces or at expired meters.

Due to limited parking on Dalhousie campus and in the Dalplex lot, a parking pass does not guarantee a space.

Regulations and any fees charged for parking may change from time to time. Dalplex will endeavour to provide as much notice as possible to our members when changes occur or are pending.

For more information about Dalhousie parking regulations, please visit: www.dal.ca/parking
