* ENGL1100: Please register for section 02 and choose one tutorial from sections T05-T08. The tutorial is showing at the same time as the lecture on Thursday and will appear as a conflict - please proceed to register for both regardless.
** PHYL 1011 and 1012: Students must register for a tutorial along with the lecture. The tutorial is optional so students are not required to attend but you must register for it.
*** IPHE 4900: Register for this like you would a course but when the semester begins, you will not actually attend a lecture each Tuesday/Thursday as noted in the timetable. Students must register in IPHE 4900 (section 02) every term during the degree program.
