

FACULTY OF AGRICULTURE

First Year Bachelor of Agriculture International Food Business

2021-2022 Academic Year

This worksheet is intended to guide first year students in making their first-year course selections. Use the [academic timetable](#) to look up the course reference numbers (CRN), days and times of the lectures, labs and tutorials you wish to take and record them in the table below. Use the blank schedule template to build your weekly schedule. Complete information on the overall requirements for the Bachelor of Agriculture in International Food Business degree can be found in the [academic calendar](#).

Specific program questions should be directed to the International Food Business Coordinator, Heather-Anne Grant, h.grant@dal.ca

Students who may be eligible for course credits based on previous post-secondary education or IB/AP courses should ensure their final official transcripts are forwarded to Dalhousie **as soon as they become available**. Any inquiries regarding transfer credits may be directed to enrolment.services@dal.ca

Steps for Simple Registration

1. Login to Dal Online (<https://dal.ca/online>)
2. Select Web for Students
3. Select View Academic Timetable
 - i. From here you can select the Term and Location (Truro)
4. A subject list will load, click on subject applicable to program (e.g. Economics-Agricultural Campus)
5. Find the course required (e.g. ECOA 1000) and record the CRN number for one of the lectures (Lec) sections.
 - i. The CRN is a five-digit code (e.g. 13789).
6. If applicable, select a tutorial (Tut) or Lab section and record the CRN for that section. You must register for one of each of the sections which appear for that course (Lec, Lab, and Tut).
 - i. Note that not all courses have a lab or tutorial section, e.g. ECOA 1000.
7. Check the first column for notes and restrictions.
8. Repeat, finding the CRN's for all courses required for the given term and be mindful of time conflicts, while recording CRN's in your timetable.
9. Once you have found all the CRN's for your courses in the term, return to the Web for Students page.
10. Select Registration,
 - i. Then select Add/Drop Classes, Select a Term, enter the CRNs, and Submit Changes.
11. Select view Schedule by Day & Time at the bottom of the page and scroll to the bottom of the generated schedule to check for time conflicts.
12. After completing one term of courses, complete the process again for the alternate term.
13. If errors occur after submitting CRN's please reach out to an advisor for clarification and assistance to resolve the issue.
