

FACULTY OF AGRICULTURE

First Year Diploma in Technology- Business Management Concentration: Agriculture 2021-2022 Academic Year

This worksheet is intended to guide first year students in making their first-year course selections. Use the [academic timetable](#) to look up the course reference numbers (CRN), days and times of the lectures, labs and tutorials you wish to take and record them in the table below. Use the blank schedule template to build your weekly schedule. It is recommended that you schedule your required courses first, followed by your elective(s). Information on the overall requirements for the Diploma in Business Management can be found in the [academic calendar](#).

FACULTY OF AGRICULTURE

First Year Diploma in Technology- Business Management Concentration: Agriculture 2021-2022 Academic Year

*Workplace readiness courses are built into the program, along with regular program courses.

**Electives can be taken at both the diploma and degree level. Degree courses may be at the 1000 or 2000 level, provided prerequisites are met. Electives should be selected in consultation with an advisor to ensure course requirements are met. Four of the eight elective courses required for the program must be chosen from the following subjects: Agriculture, Agronomy, Animal Science, Applied Science, Biology, Horticulture and Plant Science. Specific program related questions should be directed to Gillian Fraser at gillian.fraser@dal.ca.

Steps for Simple Registration

1. Login to Dal Online (<https://dal.ca/online>)
2. Select Web for Students
3. Select View Academic Timetable
 - i. From here you can select the Term and Location (Truro)
4. A subject list will load, click on subject applicable to program (e.g. Economics-Agricultural Campus)
5. Find the course required (e.g. ECOA 1000) and record the CRN number for one of the lecture (Lec) sections.
 - i. The CRN is a five-digit code (e.g. 13789).
6. If applicable, select a tutorial (Tut) or Lab section and record the CRN for that section. You must register for one of each of the sections which appear for that course (Lec, Lab, and Tut).
 - i. Note that not all courses have a lab or tutorial section, e.g. ECOA 1000.
7. Check the first column for notes and restrictions.
8. Repeat, finding the CRN's for all courses required for the given term and be mindful of time conflicts, while recording CRN's in your timetable.
9. Once you have found all the CRN's for your courses in the term, return to the Web for Students page.
10. Select Registration,
 - i. Then select Add/Drop Classes, Select a Term, enter the CRNs, and Submit Changes.
11. Select view Schedule by Day & Time at the bottom of the page and scroll to the bottom of the generated schedule to check for time conflicts.
12. After completing one term of courses, complete the process again for the alternate term.
13. If errors occur after submitting CRN's please reach out to an advisor for clarification and assistance to resolve the issue.
