## First-Year Bachelor of Health Science (BHSc) Course Planning Sheet

### BHSc Respiratory Therapy

2021-2022 Academic Year

The guide below can be used to assist you with your first-year course selection. Use the table below, the [academic timetable](#) and the schedule worksheet to build your schedule. It is recommended you schedule your required courses first, and then choose your electives based on your interests and future goals. The Course Planning Worksheet is meant as a reflective tool to plan out your courses. For complete program requirements, see the Dalhousie Academic Calendar at [www.dal.ca/calendar](http://www.dal.ca/calendar) or ask your advisor.
