

SCHOOL OF NURSING

First Year Bachelor of Science in Nursing (Yarmouth Campus) Course Planning Sheet 2021-2022 Academic Year

The guide below can be used to assist you with your first-year course selection. Use the table below, the [academic timetable](#) and the schedule worksheet to build your schedule. It is recommended you schedule your required courses first, and then choose your electives based on your interests and future goals. The Course Planning Worksheet is meant as a reflective tool to plan out your courses. For complete program requirements, see the Dalhousie Academic Calendar at www.dal.ca/calendar or ask your advisor.

Fall	Winter
Anatomy (ANAT) 1010.03: Basic Human Anatomy Lecture only – section 69	Interprofessional Health Education (IPHE) 4900.00: Inter-professional Health Education Portfolio Lecture section 07
