DALHOUSIE UNIVERSITY

FACULTY OF AGRICULTURE
Diploma in Technology Plant Science
2025-2026 Academic Year

This worksheet is intended to guide first year students in making their first-year course selections. Use the academic timetable to look up the course reference numbers (CRN), days and times of the lectures, labs and tutorials you wish to take. Use the blank schedule template to build your weekly schedule or try a digital site like Coursicle. It is recommended that you schedule your required courses first, followed by your elective(s). Information on the overall requirements for the Plant Science Technology Diploma can be found in the academic calendar.

Fall Term	Winter Term
EGLA 1000 Composition	CSCA 1000 Computer Methods
PLSC 1001 Introduction to Plant Science	PLSC 2001 Plant Propagation Techniques
SOIL 2000 Introduction to Soil Science	MGTA 2000 Human Resource Management
HORT 2000 Vegetable Production	Elective
MGTA 1004 Introduction to Business	Elective

CHOOSE YOUR ELECTIVES
Electives can be taken at both the diploma and degree level. Degree courses may be at the 1000 or 2000 level, provided prerequisites are met. Electives should be selected in consultation with an advisor to ensure course requirements are met, however, courses from the following subjects are generally encouraged: Agriculture (AGRI), Agronomy (AGRN), Animal Science (ANSC), Applied Science (APSC), Biology (BIOA), Horticulture (HORT) and Plant Science (PLSC). For a recommended list of electives please refer to the academic calendar.

Specific program questions can be directed to Tudor Borza by email at tudor.borza@dal.ca.

TRANSFER COURSES
Students who may be eligible for course credits based on previous post-secondary education or IB/AP courses should ensure their final official transcripts are forwarded to Dalhousie **as soon as they become available**. Any inquiries regarding transfer credits may be directed to transfercredits@dal.ca.

FUTURE STUDY
Graduates may continue their studies beyond the diploma – entering the BSc (Agriculture) majoring in Plant Science or the Bachelor of Technology in Small Business Management. Technology students who graduate and move into a BSc (Agriculture) degree are awarded a minimum of 30 credit hours towards their degree. Students considering this pathway should meet with an advisor to discuss their degree plans.

BUILD YOUR SCHEDULE
1. Login to DalOnline.
2. Select Web for Students.
3. Select View Academic Timetable.

Register **ON TRACK**

      a. From here you can select the Term and Location, it is recommended to review course offering one term (fall or winter) at a time.
4. Select the subject from the drop-down list, note that courses are listed by subject not program or degree.
      a. All courses offered on the Agricultural campus will be indicated by either Agri Campus, Agricultural Campus, or AGR in the subject title (e.g. Economics-Agricultural Campus), except for CSCI Computer Science courses.
5. Find the intended course (e.g. ECOA 1000) and record the CRN number for one of the lecture (Lec) sections.
      a. The CRN is a five-digit code (e.g. 13789).
6. If applicable, select a tutorial (Tut) or Lab section and record the CRN. You must register for one of each of the sections that appear for each course (Lec, Lab, and Tut).
      a. Note that not all courses have a lab or tutorial section, e.g. ECOA 1000.
7. Check the first column for notes such as restrictions (R), or preferred sections for select programs.
8. Repeat, finding the CRN's for all courses required for the given term and be mindful of time conflicts, while recording CRN's in your schedule.
9. Once you have found all the CRN's for your courses in the Fall term, repeat the same process for the Winter term.

REGISTER FOR COURSES
1. Access DalOnline and navigate to Web for Students, then the Registration page.
2. Select Register for Classes, twice,
      a. From the drop-down menu select your term, starting with **2025/2026 Fall** and Continue.
3. Select Enter CRNs from the option across the top of the screen, **do not** use the Class Search option.
      a. Add as many CRN text boxes as needed.
      b. Type one CRN into each text box, once complete select Add to Summary.
4. Your tentative schedule will be available in the panel in the bottom left and your summary of courses can be seen in a panel in the bottom right of the screen.
      a. Confirm your schedule is accurate and that there are no course conflicts.
5. Next to each pending course confirm your intended Action generally Web Registered and select Submit to finalize your course registration.
6. After registering for the Fall term, complete the process for the **2025/2026 Winter** term.
7. If errors occur after submitting CRN's please reach out to newtodalac@dal.ca for clarification and assistance to resolve the issue.
