

SCHOOL OF HEALTH SCIENCES

First-Year Bachelor of Health Science (BHSc) Course Planning Worksheet

BHSc Nuclear Medicine Technology

2024-2025 Academic Year

The guide below can be used to assist you with your first-year course selection. Use the table below, the [academic timetable](#), and the schedule worksheet to build your schedule. It is recommended you schedule your required courses first and then choose your electives based on your interests and future goals. The Course Planning Worksheet is meant as a reflective tool to plan out your courses. For complete program requirements, see the Dalhousie Academic Calendar at www.dal.ca/calendar or ask your advisor.

REGISTRATION: If there is more than one section to a lab, and the section is not specified above, you only need to choose and register for one. All students should register for courses prior to July 15th if possible.

***** For each term, please register for IPHE 4900 before all NUMT courses *****

Students will experience issues with registering for discipline-specific courses without prior registration of IPHE 4900.

Fall 2024	Winter 2025	Summer 2025*
Health Sciences Education (HSCE) 1000: Foundations of Health Care Practice Lecture only	Health Sciences Education (HSCE) 1010: Clinical Skills for Health Sciences Lecture and Lab (B01 or B03)	Nuclear Medicine Technology (NUMT) 1500: Clinical Practicum Eight weeks of full-time rotations in clinical settings.
Health Sciences Education (HSCE) 1020: Human Anatomy & Physiology I (Online) Lecture only	Health Sciences Education (HSCE) 1030: Human Anatomy & Physiology II (Online) Lecture only	Interprofessional Health Education (IPHE) 4900: Inter-professional Health Education Portfolio Lecture section 03
Health Sciences Education (HSCE) 2020: Radiation Physics Lecture and Lab	Health Sciences Education (HSCE) 2030: Radiation Biology & Protection Lecture only	<p>* Registration for Summer 2025 will open in February.</p>
Interprofessional Health Education (IPHE) 4900: Inter-professional Health Education Portfolio Lecture section 03	Interprofessional Health Education (IPHE) 4900: Inter-professional Health Education Portfolio Lecture section 03	
Nuclear Medicine Technology (NUMT) 1000: Fundamentals of Nuclear Medicine. Lecture and Lab (B01 or B02)	Nuclear Medicine Technology (NUMT) 1020: Nuclear Medicine Clinical Procedures I Lecture and Lab	
Physics & Atmospheric Science (PHYC) 1310: Physics In & Around You I Lecture and Lab (B01 or B05)	Physics & Atmospheric Science (PHYC): 1320 Physics In & Around You II Lecture and Lab (B01 or B05)

BHSc Nuclear Medicine Technology

2024-2025 Academic Year

Find Courses and Build your Schedule

1. Go to the [Academic Timetable](https://dal.ca/timetable) (dal.ca/timetable).
2. On the Academic Timetable, you can select the Term and Location; it is recommended to review course offerings one term (fall or winter) at a time.
3. Select the subject from the subject drop-down list; note that courses are listed by subject, not program or degree.
4. Find the course required (e.g. ECON 1100), and record the CRN number for one of the lecture (Lec) sections and add the time to the blank schedule. You can click the button next to the course title to see the course description.
5. The CRN is a unique five-digit code (e.g. 13789) and each section for a course has a unique CRN that you need to use to register.
6. If applicable, select a tutorial (Tut) and/or lab (Lab) section, record the CRN for each component and add the time to the blank schedule. You must register for one of each of the sections that appear for each course (Lec, Lab, and Tut). Each section is a different colour.
7. Not all courses have a lab or tutorial section, e.g. PHIL1810.
8. Check the first column for notes such as restrictions (R), or preferred sections for select programs, or any other important information.
9. Repeat finding the CRNs for all courses required for the given term and while recording CRN's in your schedule, be mindful of time conflicts.
10. Once you have found all the CRNs for your courses in the Fall term, repeat the same process for the Winter term.

Register for Courses

1. Access [DalOnline](https://dalonline.dal.ca/) (https://dalonline.dal.ca/) and click Web for Students, then click Registration.
2. Select Register for Classes, twice,
3. From the drop-down menu, select your term, starting with 2024/2025 Fall and select Continue.
4. Select Enter CRNs from the option across the top of the screen, do not use the Class Search option.
5. Add as many CRN text boxes as needed.
6. Type one CRN into each text box, and once complete select Add to Summary.
7. Your tentative schedule will be available in the panel in the bottom left and a summary of your courses can be seen in a panel in the bottom right of the screen.
8. In the bottom left panel, confirm your schedule is accurate and that there are no course conflicts.
9. In the bottom right panel, next to each pending course, confirm your intended action, generally Web Registered
10. Once you have checked everything looks good, select Submit to finalize your course registration.
11. After registering for the Fall term, select a new term and complete the process again for the 2024/2025 Winter term.

If errors occur after submitting CRNs please reach out to the [Registrar's Office](#) or your advisor for clarification and assistance to resolve the issue.

Please refer to dal.ca/registration for more support on how to read the Academic Timetable and register for courses.

MY PLAN FOR FALL TERM

TIME	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
8:35					
9:05					
9:35					
10:05					
10:35					
11:05					
11:35					
12:05					
12:35					
13:05					
13:35					
14:05					
14:35					
15:05					
15:35					
16:05					
16:35					
Evening Classes					

Course	Ex. Biology 2030					
Lecture CRN	10241					
Lab CRN	10245					
Tutorial CRN	10255					

MY PLAN FOR WINTER TERM

TIME	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
8:35					
9:05					
9:35					
10:05					
10:35					
11:05					
11:35					
12:05					
12:35					
13:05					
13:35					
14:05					
14:35					
15:05					
15:35					
16:05					
16:35					
Evening Classes					

Course	Ex. Biology 2030					
Lecture CRN	20241					
Lab CRN	20245					
Tutorial CRN	20255
