

Faculty of Science – Course info

Fall 2020

To assist the Dean's Office in syllabus oversight, please cut and paste the following information from your syllabus. Submit to the Dean's Office (Danielle.wood@dal.ca) along with your course syllabus by **August 17, 2020**.

Course code and number: CHEM 6155 ADVANCED MAIN GROUP CHEMISTRY

Course instructor name: SAURABH S CHITNIS

1. Course Assessment (list of all graded components with their relative weights, dates and times)

Include alternate weighting schemes, if applicable.

Presentation - 50% - November 24th and November 26th – Synchronous presentation via Zoom

Final Report - 50% - Asynchronous – Due by Dec 20th via email

2. Course Policy on missed or late academic requirements (including final exam)

If you are ill or experiencing a personal emergency at the time of the Presentation, e-mail Dr. Chitnis to inform him of the situation, and fill out a Student Declaration of Absence form at an appropriate time. A sick note will not be required. Under these circumstances, a delayed presentation will be scheduled. The final report can be submitted any time before December 20th.

The Presentation and Final Report must be created and delivered independently without collaboration with other students. Plagiarism software will be used in the course.
