

CHEM 4301/5301 Syllabus Revision

Dalhousie has issued the following directives:

- All in-person classes/labs/exams will not resume this term.
- Instruction will be paused March 16-20.
- Instruction (content delivery) will resume (remotely) Monday March 23rd and end on April 6th as originally scheduled.
- Exams will not be held in person.

The course content and assessments will not be affected by these changes. However, there will be some necessary changes to the mode of delivery of the course and the final exam. The purpose of this document is to communicate these revisions and it also serves as a formal revision to the course syllabus.

Original Course and Exam Formats

- Lectures are held MWF at 2:30 pm in Chem 223.
- Assignments must be handed in by 4:30 pm on Fridays, remaining due dates are March 27 and April 3.
- The final exam will be held in person.

Revised Course Format

- Lectures are held MWF at 2:30 pm online via an appropriate platform, such as Google Hangouts.
- Assignments must be typed and pdf files sent to the instructor by 4:30 pm on Fridays, the remaining due dates are unchanged.
- The final exam will be delivered as a take-home exam, distributed to students via email. The exam must also be returned to the instructor via email and can consist of typed solutions or photos/scans of handwritten solutions.
