Instructor biographies

Dr. Sayed Mirbod brings over two decades of experience as a distinguished Periodontist based in Nova Scotia. He obtained his dental degree from the University of Western Ontario and furthered his expertise through specialized training in Periodontics at the University of Manitoba. Since 2001, Dr. Mirbod has been dedicated to the fields of periodontics and implant surgery, amassing extensive knowledge and skill. With a track record of successfully placing thousands of immediate implants, Dr. Mirbod's expertise spans various aspects of implant surgery, including sinus lifts, vertical and horizontal bone augmentation, and immediate implant placement.

Dr. Haider Al-Waeli is a certified Periodontist, a Fellow of the Royal College of Dentists of Canada and works as an Assistant Professor at the Faculty of Dentistry at Dalhousie University. He received a PhD from McGill University and a Master in Periodontics from Dalhousie. He is also a member of many professional and academic association around the world such as American Academy of Periodontology, Canadian Academy of Periodontology, European Federation of Periodontology, and International Association of Dental Research.
