**Organisers:** Association of Canadian Faculties of Dentistry (ACFD), Canadian Association for Dental Research (CADR), Network for Canadian Oral Health Research (NCOHR) and the Institute of Musculoskeletal Health and Arthritis (CIHR-IMHA)

## Attendees

- Canadian academic dentistry leaders: Deans, Associate Deans, Clinic Directors, Program Directors and others
- Professors from all 10 Canadian dental schools
- Leaders of national dental organizations
- Students, residents and other trainees
- Dentists, dental hygienists and other dental professionals
- Leaders in Canadian health research
- Leaders in the Canadian Dental Care Program

# Program

The 2024 conference will be the inaugural Canadian Oral Health Summit, based at Dalhousie University in Halifax. Building on previous biannual meetings of the ACFD, this event is a collaboration with CADR, NCOHR and CIHR-IMHA. The broader program will now span three days, and bring together a wider audience across oral health care and research.

## Sessions

- Business meetings
- Interactive workshops
- Plenaries
- Scientific symposia
- Poster sessions
- Networking

## Goals

- Foster collaboration
- Explore Novel approaches and technologies
- Advance oral health in Canada and internationally

## Topics

To include:

- What's new?
- Impact of Generative AI
- Attracting and retaining researchers and professionals
- Launch of the National Oral Health Research Strategy
