Interceptive Orthodontics for General Practitioners: Diagnosis and Treatment Planning During the Mixed Dentition

Presented by: Dr. Lorne D. Koroluk, DMD, MSD, MS, FRCD(C)

Course Outline
This course will review the diagnosis and treatment planning of common occlusal problems general practitioners will encounter in the mixed dentition. Anterior and posterior crossbites, crowding, ectopic eruption, ankylosis and space management will be covered in the course. A review of current evidence based research will help practitioners understand the current approaches for the timing of treatment of developing skeletal malocclusions.

Course Objectives
• Review of orthodontic diagnostics: facial form analysis and space analysis.
• Diagnosis and treatment planning considerations for anterior and posterior crossbites, crowding, ectopic eruption and ankylosis in the mixed dentition.
• Review of current treatment protocols and the timing of intervention for developing skeletal malocclusions

About the Presenter
Dr. Lome Koroluk graduated with a BSc in Anatomy and a DMD degree from the University of Saskatchewan. He completed a certificate in Pediatric Dentistry and a MSD degree at Indiana University and later received a certificate in Orthodontics and a MS degree from the University of Minnesota. He is a Diplomate of the American Board of Pediatric Dentistry and the American Board of Orthodontics and a Fellow of the Royal College of Dentists of Canada in both Pediatric Dentistry and Orthodontics. He previously served as Chief Examiner for Pediatric Dentistry with the Royal College of Dentists of Canada as well as being on the Advisory Board of the American Board of Pediatric Dentistry. Dr. Koroluk also serves as a reviewer for a number of Pediatric Dentistry and Orthodontic journals. From 1984–1998, Dr. Koroluk was on faculty at the College of Dentistry, University of Saskatchewan. He is currently an Associate Professor with a joint appointment in the Departments of Pediatric Dentistry and Orthodontics, School of Dentistry at the University of North Carolina - Chapel Hill.

Registration Info
Early Bird Registration Date: March 28, 2013
Check-in: 8:30 am
Course Times: 9:00 am - 4:30 pm
Location: Faculty of Dentistry Room 3156
Credits: 6 hours of Lecture
Fees:
Until Mar. 28
DDS: $280
ADHP: $150
After Mar. 28
DDS: $330
ADHP: $175
Continental breakfast and lunch provided
