

Faculty of Dentistry approved higher science courses

The following list of approved higher science course requirements from universities in the Atlantic provinces is provided to help you select your prerequisite courses. Please note that this list is not complete for all universities and recent changes may not be reflected.

If you have any questions, please contact the Faculty of Dentistry at admissions.dentistry@dal.ca

University	Organic Chemistry	Biochemistry	Microbiology	Physiology
Acadia	Chem 2513 & 2533	Chem 2713	Biol 2053	Biol 2813 & 2823
CBU	Chem 2301/2301L & Chem 2303/2303L	Chem 2601	Micro 2101 or Micro 3101	Biol 3203 & 3 credit human physiology course
Dalhousie	Chem 2401 & Chem 2402 or Chem 2441	Bioc 2300	Micro 2100	Phyl 1011 and Phyl 1012 (distance education) or Phyl 2041 & 2044 or Phyl 1400 (pharmacy stud)
MUN	Chem 2400 & Chem 2401 or Chem 2440	Bioc 2101	Biol 3050	Med 310A & 310B
Mount Allison	Chem 2111 & Chem 3111	Bioc 2001	Biol 3101 or Biol 3111	Biol 3211 & 3 credit human physiology course
Mount Saint Vincent	Chem 2401 & Chem 2402	Chem 3501	Biol 2202	Biol 2205 & 2206
Saint Francis Xavier	Chem 221 & Chem 222	Chem 255	Biol 315	Biol 251 & 252
Saint Mary's	Chem 2344 & 2345	Chem 3451	Biol 3398	
U de Moncton	Chem 2413 & Chem 2423	Bioc 2603	Biol 3253	Biol 2133 & 2233
UNB (Saint John)	Chem 2416.2421 and Chem 2422/2457	Biol 2065	Biol 2485	Biol 1411 & 1412 or Biol 441 & 442
UNB (Fredericton)	Chem 2421/2416 and Chem 2422/3857	Biol 2023	Biol 3261	Biol 1782 & 2121 or Biol 2792 & 2761
UPEI	Chem 2410 & Chem 2420	Chem 3530	Biol 2060	Biol 1220 & Biol 3260 or Biol 4010 and either Biol 1220 or Biol 3260
