HANDPIECE INFORMATION

WHAT KIND OF HANDPIECES CAN WE USE? You can either use your own if they are compatible (see below for more information) or rent from the Dalhousie Faculty of Dentistry (see below for more information).

HIGH-SPEED

- 6-hole configuration
- Bulb located in the handpiece coupler
- Voltage output at the handpiece is a fixed 5.5Vdc.

LOW-SPEED

- Standard 4-hole connection.
- Non-lighted.
- No coolant spray.
HOW CAN I RENT THE HANDPIECES FROM THE DALHOUSIE FACULTY OF DENTISTRY?
You can rent handpieces by completing the registration form and sending it to the Faculty of Dentistry Clinical Affairs office ahead of time and paying the rental fee for the handpieces with a credit card.

Deadline for handpiece rental is May 31, 2019 by 12:00 pm AST.

WHEN WILL WE GET THE HANDPIECES THAT WE HAVE RENTED? You will receive the rental handpiece at the start of each day in the exam.

THE W&H HANDPIECE RENTAL KIT INCLUDES:

- fibre-optic push-button high-speed handpiece
  - Synea TA - 97LW high-speed
