What global challenge will your team address? We encourage student teams to consider the [Global Goals](#) as part of their strategic approach.

Describe the global challenge and explain why your group is interested in it, and why it is important to work toward a resolution (Approximately 300 words).

Provide a brief outline of your team's idea/project to address the chosen global challenge (Approximately 400 to 800 words).

How did you find out about the World's Challenge Challenge?
