

Teaching for World-Mindedness

The course design wheel has been adapted for this site from: Schuerholz-Lehr S, van Gyn G. Internationalizing pedagogy or applying pedagogy to internationalism – the journey of a professional development workshop. Paper presented at Internationalizing Canada's Universities: Practices, Challenges, and Opportunities symposium in 2006. Cited in Williams, S. (2008). Internationalization of the curriculum: A remedy for international students' academic adjustment difficulties. Memorial University of Newfoundland. <https://citeseerx.ist.psu.edu/viewdoc/download?doi=10.1.1.466.3734&rep=rep1&type=pdf>
