Assignment 3: Managing a University

INSTRUCTIONS

Nova Scotia has commissioned a new university and has invited your team to make a plan for part of its management. This university will require a registrar’s office, a human resources department, student services division, and an academic affairs division. Your objective is to develop a two-year plan for your assigned division. As a group, conduct a risk analysis, specify outcomes, and identify risk measures. You will prepare a short 2-page report and a presentation that is given to the class.

EVALUATION & DEADLINE

Due Date: November 22nd, 2021, 11:55 pm

Evaluation: 20 points (20% of your final grade)

You will be evaluated on the following criteria:

- Whether your plan was grounded in theory and was backed by quality research (7.5 points)
- Writing quality and clarity of the group report (7.5 points)
- Quality of the presentation (5 points)

Questions for discussion:

1. What are your overall impressions of this assignment? Do you think it would foster creativity and/or engagement? Why or why not?
2. What knowledge and skills (academic and interpersonal) would students need to apply to complete this assignment?
3. How would you modify this assignment based on the recommendations discussed earlier?
