

Outreach Committee Report- 2014/2015

Halifax Events

2014-05-15: Volleyball

This was the second running of this new event. About a dozen DPMG members had a great time playing fun-spirited volleyball in the Studley Gym. Unfortunately the cost for reserving this gym is not insignificant.

2014-09-24: BBQ & Washer Toss

This was the premiere event of its kind, serving BBQ burgers & hot dogs from the Hicks lower quad (Studley campus) and facilitating a washer-toss competition with prizes donated from Johnson Insurance. The BBQ lineup was a bit slow, but otherwise the event was very successful; feeding around ~75 members and entertaining dozens more with washer-toss.

2015-02-11: Coffee Social

This longstanding event was well-attended, as it usually is, on our Halifax campuses (~10 members per campus). Unfortunately, we were unable to facilitate concurrent events at our other campuses.

2015-05-21: BBQ & Washer Toss

This event was very well-attended again (~80 members), it ran significantly more efficient with two BBQs, and required only about half the previous budget as some items (e.g. BBQ) were already paid for.
