The Pension Advisory Committee (P.A.C.) is comprised of representatives from, NSGEU 77, NSGEU 99, DFA, ADRP, the Board and DPMG. The committee normally meets approximately once every three months. During the period between May 2015 to April/16, P.A.C met three times.

In December 2015. Meghan Wagstaff joined P.A.C. as the DPMG alternate representative, replacing Carl Baillie.

Updates were provided at each meeting regarding the Pension Plan's assets and liabilities. The financial position was reviewed in terms of the going concern deficit and the solvency deficit. Other administrative matters were also discussed.

There were discussions and consultations with employee groups regarding the proposed amendment to the interest crediting rate on contributions and to align the plan's death benefit with the new Pension Benefits of Nova Scotia regulations.
