

Pension Advisory Committee  
Annual Report to DPMG  
2016/17

The Pension Advisory Committee (P.A.C.) is comprised of representatives from NSGEU 77, NSGEU 99, DFA, ADRP, the Board and DPMG. The committee normally meets approximately once every three months. During the period between June 2016 and May 2017, however, P.A.C. met only twice.

At each meeting, the committee received information regarding the financial position of the Pension Plan. Updates were provided regarding the Market Value of the Plan's assets. Eckler Ltd provided updates on the Plan's liabilities. The financial position of the Plan was reviewed in terms of both the going-concern deficit and the solvency deficit. Other administrative matters were also discussed by the committee.
