

## TRANSPORTATION & SAFETY COMMITTEE

01 July 2015 – 30 June, 2016

Ten monthly meetings occurred during the period 15 September, 2015 through 21 June, 2016. The Committee's website <http://www.dal.ca/dept/facilities/about/programs-committees/transportation-security-committee/meeting-minutes.html> will allow members to review all Committee actions through March 2016.

### **Points of discussion:**

- Access parking requests now vetted and approved by HR Accessibility Centre.
- Pay & Display parking available in area of Arena lot. Future Pay & Display planned.
- EV charger, presently on Sexton lot with future plans for Oceana and Arena lots. Any general parking pass has free access. Rules & regulations for use are ongoing.
- Sexton lot gains additional (40) spaces; Fenwick lot lease terminated.
- Employee Bus Pass program now approved as ongoing yearly program.
- University Avenue bike lane project to start when Master Plan approved by HRM.
- Transportation & Security Committee terms of reference to be reviewed

### **Periodic Reports:**

- Security Report (monthly) by Director of Security Services
- Transportation Demand Management (TDM) by R Owen, Office Sustainability

### **Voted Issues:**

- Parking Fee Schedule 01 September 20126 – 31 August, 2017

A proposal to increase the 2017/17 Parking Fee Schedule was tabled from Facilities Management Finance. In accordance with the DFA Collective Agreement and the provision to request special increases based on a 3 year rolling average of operational expense which include snow clearance, the following increase were proposed:

- 6.75% for general parking (approx. \$2.00/ mo. Increase)
- 7.76% for indoor reserved parking
- 11.34% for reserved outdoor parking

The proposed schedule was accepted for submission to University Administration.

Respectively,  
Eric Guile  
D.P.M.G. Representative (2015/16)
