

Facilities Management 2024 Stoker Awards

Safety Award Jason Penney

AC Campus Maintenance Supervisor

Jason has always had a tremendous focus on health and safety and has been the co-chair of the AC EHS Committee since its creation in 2016. He has been involved in staff training and fire safety. He also actively participated in a number of incident investigations which led to positive changes at the University. He spearheaded the Greenhouse glass repairs at the Cox Institute. His work during the COVID-19 pandemic was outstanding considering the administrative and logistical challenges.
