

2019 STOKER AWARD FOR INNOVATION

KEITH MCKINNON

IN ATTEMPTING TO CREATE A TEMPORARY SOLUTION FOR AN URGENT DRAINAGE ISSUE IN THE DSU MAIN KITCHEN, KEITH WENT OUT OF HIS WAY TO REVIEW EXISTING DRAWINGS AND RECENT UPDATES TO ARRIVE AT A BRILLIANT TEMPORARY SOLUTION WHICH BOTH SAVED TIME , SAVED MONEY AND SAVED INCREDIBLE INCONVENIENCE IN BOTH INSTALLATION AND OPERATION.

THIS WAS THE EXTRA EFFORT WHICH I HAVE SEEN KEITH DISPLAY REPEATEDLY IN MY 30 YEARS ON CAMPUS. PLEASE PROVIDE HIM THE RECOGNITION HE DESERVES.

THANKS !

PATRICK J MARTIN
