

## **Arts Centre Project - Construction Update 2019-002**

**Hello All;**

### **1. Seymour St Traffic Disruption**

House Demolition is complete. Service disconnections in Seymour St for sewer and water will occur April 8-12. Seymour St will be closed to all but local vehicular traffic during this time. Driveway access for all residents, including the entrance to the parkade under Marion McCain Arts and Social Sciences Building, will be maintained at all times. The sidewalk on the east side of Seymour will be closed during this time.

### **2. Construction Tender**

The University is preparing to close the construction tender for the new addition and renovations to the Arts Centre. Work is expected to begin sometime in May.
