

FM PROJECT PROFILE

Weldon Law Renovation

WHAT

4th Floor Grad Student Area

WHY

Provide grad students with access to work and study space meeting rooms and collaborative work areas.

FEATURES

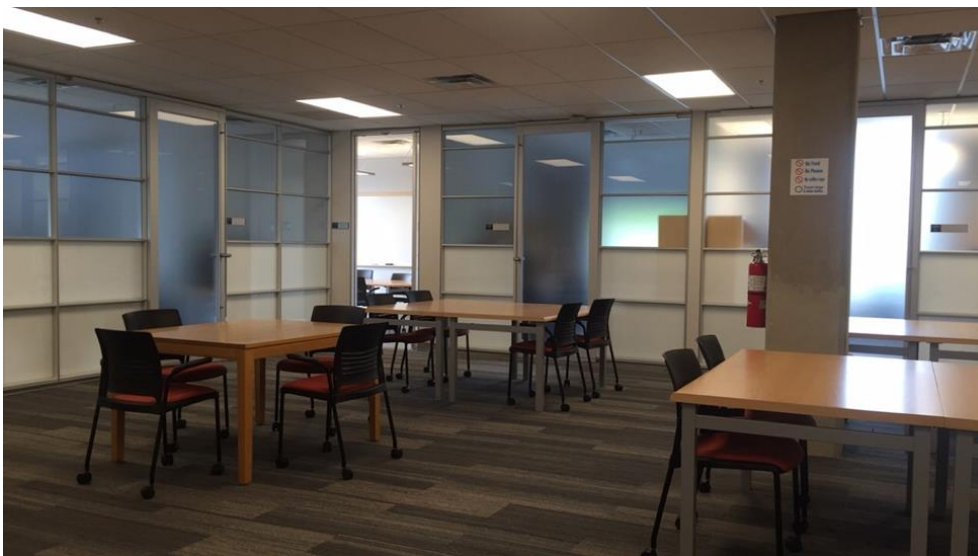

Natural light is brought into the space and meeting rooms by having full glass front doors to allow for light transfer

FM HIGHLIGHTS

Trades completed demolition and upgraded the entire space including all walls, ceilings, lighting, electrical, cabling, sprinkler and life safety systems, security and access control

Completed May 2016
