- Justin Hawkins – Project Management Rep
- Alex Walker – Dalhousie's Project Manager

Assetworks

Vice President Services - Robert Baker

Director of Project Management office - Jon Ellis

Project Manager - Tony Novaro

Implementation Specialist – Aaron Davis

During the month of August the Conceptual Overview for Operations and Maintenance (O&M) was completed. The O&M module is one of the core pillars of AiM. The conceptual overview provides individuals with the core concepts of AiM. 19 staff members from Facilities Management and 10 administrative staff members from Financial Services, Human Resources and ITS have been exposed to some or all of the O&M portion of AiM.
