“Give respect – receive respect”

Security “C” Shift

On the first day of Respect Week, members of the Security "C" Shift bought Halloween candy and attached a small slip of paper to each piece. One side had the Dalhousie Security crest, social media information for the @dalsecurity Twitter account, as well as the #dalrespect hashtag. On the other side of the slip was a quote relating to the concept of 'respect'. Some of the slogans were “*Respect starts with YOU*”, and “*One of the most sincere forms of Respect is actually listening to what another has to say*”. They put on their pink security shirts and gave out 220 of these packages to students on all three Halifax campuses. The students they spoke with seemed very happy and supportive of the initiative, and the comments received were all very positive. Many people said that they thought that Dal Respect Week was a great idea and that they loved the pink uniform shirts.
