

2017 STOKER AWARD FOR SAFETY AND SECURITY

“Safe work practices in a secure environment”

Tom Cole, Ritchie Davidson, Tony Fleck

AC Trades Team

Dalhousie FM's Environmental Health and Safety Office held their 3rd Annual Environmental Health and Safety Expo in September for the first time on the Truro Campus – where the Facilities Management staff were front and centre. The expo is an excellent opportunity demonstrate the great work that is being done within the Dalhousie community and the goal was to teach everyone how to keep healthy and safe on the job.

The Zone 5 Trades team set up a booth displaying Lock out/tag out, electrical panels, and fall/arrest equipment among other things. Their hands-on displays had staff, students, and faculty asking lots of questions.
