

# 2017 STOKER AWARD FOR TEAMWORK

“Working together for the benefit of all”

**Monica Monroe**

Custodial

Monica is on our baseball team, and literally took one for the team this summer when a pitch went horribly wrong. She might just also be the world’s best 50/50 ticket seller. She was a big help raising money to get the team’s uniforms last year. And she showed that again just a few weeks ago when she coordinated our internal United Way 50/50 draw. She is one of FM’s best ambassadors on campus and is very proud of what she calls her FM family.

Her work is also noticed around campus, especially by the art gallery. They were so impressed with the cleanliness of their floor that they set up a plate, knife, and fork and emailed us to say the floor was so clean you could eat off it.
