

2017 STOKER AWARD FOR TEAMWORK

“Working together for the benefit of all”

Pauline Fitzgerald, Cherstin MacMillan, Melissa Young

Client Reception

As you know, very little gets done here without a work order, and these three women are responsible for taking calls and answering emails when work is requested. We hear great things about their work frequently, but this email really stood out:

“I just want to devote huge thank you to Client Reception for always being nice to work with, quick to respond, diligent with the work orders, and just generally being awesome people. You are really easy to get along with, so THANK YOU for all you do! I am sure you seldom get positive feedback (that is the way life is today) so I wanted to let you know you are doing a great job.”
