

## **Cleaning Up the ADRP Office**

“After several years of nobody cleaning the Association of Dalhousie Retirees and Pensioners (ADRP) office, I decided to turn it from a "storage room" to an office. The Custodial Team were quick to assist with any cleaning issues, provide suggestions on what could be done; and, who to contact to do the work. Due to them going above and beyond, I was able to welcome folks to the "cleaner version" of the ADRP office in less than three weeks.”
