

# You Can Count on Holly

Although I selected “initiative” as a represented value, **Holly Langille** is the epitome of all of FM’s values!

Friendly, approachable, supportive, respectful are all great but simply put, Holly is just AMAZING!! Her positive attitude and beautiful smile always make my day better. No matter what the request, I know that I can count on her. Her hard work and dedication is exemplary and we are VERY lucky to have her on our team!

Thank you Holly for all that you do! 😊
