

Exceptional Job

Jesse Harvey and Terry Dixon

I wanted to send a thank you note to painters **Terry Dixon and Jesse Harvey** for doing such an exceptional job on my office wall (Room 301A) Henry Hicks and the POLI Lounge/Seminar room (Room 345) Henry Hicks. It looks wonderful! You also went above and beyond with ensuring everything was put back in place and properly cleaned. You would never know you were here! I really appreciate the attention to detail and respectful service that you provided.
