

“The custodian for the CRC, **Kul Prasad Humagain**, is being moved from the CRC to the law building. He has always done his job with a lot of care and has been incredibly friendly to the people who work and study in the building. He definitely deserves a kudos for all the hard work he has done in the CRC over the last 2+ years and his presence will be missed.”

Shane LeBlanc, *Executive Director of Operations and Policy, Faculty of Medicine*
