

## **Monica is a Wonderful Employee**

Without fail, every time I hold a class in the CHEB building, Monica Monroe has prepared my classroom beautifully for my students and myself. Her kindness, cheerful attitude, initiative, and consistent hard work is very much appreciated.

Having a clean classroom that is ready for students is imperative, and Monica has supported Dalhousie in delivering this. I hope she is recognized for the wonderful employee she is, and that she knows how much it is appreciated.
