

Cares About Work and Clients

Scott Henderson

Scott Henderson (lockshop) has been working on a key project with us and he has been so helpful and gone above and beyond. He is so positive and cares about the work he does and the clients he is doing the work for. I recently worked with him for the first time and wanted you to know what an asset he is to your amazing FM team. We are very fortunate to work with all of you, and we couldn't support our residents and conference guests without your team.
